**The Judaism of Jesus** J. Christopher Garrison, 2014-04-17 We had hoped it was he the Messiah who would redeem Israel Luke 24:21 In this book you will learn that the religion Jesus founded was not Gentile or called Christianity The name Christianity is not found in the New Testament work authored by Jews who followed Jesus that the religion of Jesus was a form of Judaism that revolved around the Hebrew concept of Brit Hadashah meaning New Covenant This concept first appeared in the writings of Jeremiah one of the great prophets of Judaism that to achieve the full task Jews have expected of their Messiah of redeeming Israel and completing Gentile world salvation there have been three separate stages in the work of Jesus the Messiah 1 the Atonement 2 the Gentile stage represented by two thousand years of Gentile Christianity and 3 the Jewish or Jewish redemption stage that with regard to the Messiahs prophecy on Jerusalem and on the completion or fulfillment of his Gentile stages see Luke 21:24 Jerusalem will be trampled on by the Gentiles until the times of the Gentiles are fulfilled on June 7 1967 the day Jerusalem fell to Jews the Messiahs prophecy was fulfilled Hence with June 7 1967 formally marking the end of the Messiahs Gentile or Christian stage the Messiahs final or Jewish stage has already begun that with the times of the Gentiles or Christianity over why Christians must adjust and reorient themselves to the new Jewish era and reality that is rising many other topics of vital relevance to our present transitional era from Gentile Christian to Jewish centered times where world history is quickly reaching a tumultuous climax centered on the Jews Jesus the Messiah and the Messiahs New Covenant Judaism as the winning side of end time history The Moses Principle Michael Baughen, 1978

**Morality and Revelation in Islamic Thought and Beyond** Amir Saemi, 2024 The book is about the moral problem generated by morally controversial passages in scripture and in the Qur'an in particular passages that seem to allow violence and discrimination against women and sexual and religious minorities The conservatives argue that scripture can override our own moral judgments and thus certain acts of violence or discrimination can be morally justified through scripture The book explores this conservative argument and finds ways to undermine it The book aims to show how a progressive Muslim or a theist in general can reject violence and discrimination without renouncing scripture as God's word Moreover the book provides a refreshing overview of the history of ethics in the Islamic tradition The Moses Principle Bryan

**When God Isn't There** David Bowden,2016-10-11 Why does God feel so far away Why is my worship so empty Has God left me David Bowden knows these questions firsthand having wrestled for years with God s apparent absence and studying what the Bible says about it In this new book Bowden tackles the subject head on finding the key to understanding it in the Bible s depiction of a God who is infinitely far from us free to move where he wants but who chooses to come near in the person of Jesus A resource of encouragement for those who struggle with feeling God s absence and a wake up call to those who take God s presence for granted When God Isn t There will forever change your

understanding of why God sometimes seems to vanish and how he can be found again Praise for the work of David Bowden Awesome and inspiring Blake Mycoskie Founder and Chief Shoe Giver at TOMS Shoes David brings a fresh engaging and highly impactful approach to Scripture His passion for the Word is both contagious and inspirational Roy Peterson President of American Bible Society

Preparation Creates Opportunity Paul Murray,2021-04-27 The book of Joshua is the biblical record of the conquest of Canaan an event that fulfilled a promise God made to Abram and his descendant s generations earlier It was the gift of God to His people the Promised Land the land of milk and honey After Israel s delivery from four hundred years of bondage in Egypt and the miraculous crossing of the Red Sea Israel was brought into a new relationship with God God gave them His Law and established them as a nation on Mount Sinai They were instructed to enter the Promised Land at Kadesh barnea but after spying out the land they were terrified The land was a land of milk and honey as God said but God forgot to mention that there were giants in the land These were men of immense size and strength who made the Israelites feel like grasshoppers in their sight The Jews didn t believe God could give them the land with those odds and refused to obey His will to enter the land In response they rebelled against Moses and Joshua God judged that generation for their lack of faith and obedience by causing them to wander forty years in the wilderness going nowhere until that entire

sinful generation perished Finally a nation of young men who had grown up in the wilderness stand at the banks of the Jordan River They can see the Promised Land across the raging waters The ancient fulfillment of the promise and the gift of God are so close But before the conquest can begin the river must be crossed and preparations must be made These preparations will serve as the basis of the conquest that will unfold over the next seven plus years Come along for the ride You're about to see God do wonders you've never imagined Walk with these men and feel the drama unfold It will change your view of who God is    **A commentary on st.
