about racist murders by the police have brought mayhem and crime to our cities where the victims are predominantly black They are also a slander against the United States the least racist country in history and against black Americans the vast majority of whom are successful and law abiding citizens Now the Biden administration has embraced the false narrative of systemic racism and white supremacy which supposedly infect every aspect of American life using it to justify a witch hunt for domestic terrorists Most Americans black and white know in their bones that this portrayal of their country is a lie An unflinching and courageous accounting I Can t Breathe is the urgently needed proof that they are right
