Missing Mom Pieces Christy Lawler,2019-03-07 We know what pain rejection anger bitterness and loneliness

look and feel like We know how those emotions intensify when it is from our own family members those that are supposed to love and take care of us but are not always successful at it I wanted to feel what others had to read it and to experience it just a little As others shared what their mom relationships were like that pain was deeper than I realized before I no longer wanted to live through your experiences instead I wanted to let you know I get it a little Through some real honest moments came some really raw memories and painful truths not just my own but yours as well I found myself weeping and praying for all of you that shared your stories with me I know I needed to go on a journey with God as my guide to find my missing mom pieces so I could heal and pass that on to you So I pray you take this journey as you figure out what your missing mom pieces are so you may feel peace in the pain strength in the sorrow and healing in the days to come Are you ready **Critical**

Approaches to Food in Children's Literature Kara K. Keeling, Scott T. Pollard, 2012-03-20 This book is the first scholarly volume to connect children's literature to the burgeoning discipline of food studies Spanning genres and regions the essays utilize a variety of approaches including archival research cultural studies formalism gender studies post colonialism post structuralism race studies structuralism and theology **The Power of Mother Love** Brenda Hunter, 1998 Many women especially the mothers of young children feel their role as just a mother is undervalued today This book highlights the incredible although sometimes unrealized influence that a mother has on her children and her society After decades of scientific and psychological study there is overwhelming evidence that mother love has an enormous permanent impact in shaping the character and life of a child As both a psychologist and a Christian Brenda Hunter presents a convincing argument that this love is even more powerful and far reaching than our culture has yet realized And the impact of this powerful love impacts not only the child but the mother herself and the society as a whole Hunter affirms the immeasurable value of the mothering role from a Christian perspective while realistically addressing women's greatest questions and concerns Hunter clearly reveals how mother love positively affects the way a woman defines herself **Mother, I Love You**
