was the largest fastest and latest thing in seagoing destroyers and though the specifications called for but thirty six knots
speed she had made thirty eight on her trial trip and later under careful nursing by her engineers she had increased this to
forty knots an hour five knots faster than any craft afloat and with a clean bottom this speed could be depended upon at any
time it was needed She carried four twenty one inch torpedo tubes and a battery of six twelve pounder rapid fire guns also
she carried two large searchlights and a wireless equipment of seventy miles reach the a rials of which stretched from the
truck of her short signal mast aft to a short pole at the taffrail Her crew was not on board however Newly scraped and
painted in the dry dock she had been hauled out stored and fueled by a navy yard gang and now lay at the dock ready for sea
ready for her draft of men in the morning and with no one on board for the night but the executive officer who with
something on his mind had elected to remain while the captain and other commissioned officers went ashore for the night
