

The background of the entire image is a sunset over a body of water. The sky transitions from a deep blue at the top to a bright orange and yellow near the horizon. The water reflects the colors of the sky. In the foreground, the dark silhouette of a roller coaster track with several loops and drops is visible, partially obscuring the sunset. The text is overlaid on this scene.

Moses Gods Man For Challenging Times:

Moses Roger Ellsworth,2005 From Moses life we can learn what it means to walk closely with God day by day we can learn what it means to find our all sufficiency in the God of the Bible as we live through sometimes dreary and troublesome times Further it is the Christian s great comfort that the Redeemer of Israel is the same today as He was in the days and life of Moses

The Book of Job: God's Faithfulness in Troubled Times Dr. Jim Halla,2022-04-05 Job the book and the man is well known even in the public arena However the main character of the book is the Triune God Moreover some have suggested that the book of Job focuses on the larger problem of evil in a good God s world By definition that would include the concept of victimhood However Dr Jim Halla thinks that approach misses major issues in the book The Book of Job God s Faithfulness in Troubled Times presents Dr Halla s understanding of the book under four major headings God s sovereignty suffering suspicion and success Job began well but faltered He considered himself alone deafening silence from God and his relationship with God in shambles God took him to the zoo and the sea and Job learned well he repented and God placed him in the position of intercessor for his friends He functioned as a type of Christ but he was not Christ He came to embrace those two truths The book of Job is for all believers in all seasons no matter their spiritual maturity As you read The Book of Job God s Faithfulness in Troubled Times see if you catch a glimpse of Job s radical reversal

Words for Troubled Times Michael Nicolosi,Patty Nicolosi,2011-11 Does it seem like God is the furthest thing from your mind on a daily basis Do you need a reminder that God has the answers Would you just like to be a better Christian If you answered yes to any of these questions then Words for Trouble Times is for you These are troubled times we live in We face many difficult issues on a daily basis Finances personal problems addictions sin and doubt are just a few of the hindrances that keep us from being the people we should be in Christ As Christians it is our desire to serve God but many times we find that our effort to serve becomes stopped up by feeling overwhelmed due to the situations in the world and in our life Words for Troubled Times combines Scripture references and situational examples in one handy easy to understand weekly devotional It will encourage the Christian to apply Scripture to the challenges of life and to build their relationship with God and other people So use Words for Troubled Times today as a guide toward a fulfilled and Spirit led tomorrow

Walking Tall In Tough Times GREAT IGWE,2019-07-30 Out of nowhere the storms of life hit us without warning The loss of a loved one a broken relationship loss of a job and properties A terrible accident illness or the failure of a business This is tough challenges that people all over the world are being confronted with daily in their respective life We don t have the power to choose what happens to us neither can we as humans choose the nature and severity of the problems and challenges that confronts us every day But one thing we sure can do and has the power to control is the way we respond to these challenges and how we fight through it Life is like an ocean and every one of us are born sailors sailing through this ocean Everybody shall one day encounter a storm be it the wealthy the educated the poor the uneducated the single or married the sick or healthy The storms of life is not a respecter of race religion or country of birth but rather a respecter of courage boldness persistent firmness of purpose and positive attitude Walking tall in tough times is a book that will certainly arm and spur you to take tough decisions and actions necessary to bring about a change in your life It will also help you change your negative perceptions and response to the challenges you are going through and put you on a part to true success The principles and practical steps that are outlined in this book is not based on head knowledge but rather are founded on experiential knowledge and scriptural examples that will certainly leave transformed This book will undoubtedly stir you to leave your comfort zone to your rightful place of influence and power It will forge you to become uncomfortable with mediocrity and average existence Buckle up as I take you through this journey of self freedom and reawakening Happy read

God, Man, Death And Then The Judgment Benny Tucker,2015-02-24 As I think of death I realize it is a permanent situation Many people living on earth and sensing all the different sensations of life including love pain joy feelings taste and so forth and then they come to the end of their adventure and will wonder now what What was there before this What will be after this So many questions yet so few answers Let s come together now and begin our journey through the realization of God His word His only Son His creation and might I say life itself but not overlooking His love mercy and grace and especially His judgment
