 are something you carry with you something to last your entire life to be passed on to your children and their children for
 evermore Duncan Williamson came from a family of Travelling People who told stories around the campfire for entertainment
 and for teaching As a child Duncan learnt the ways of the world through stories My father s knowledge told us how to live in
 this world as natural human beings not to be greedy not to be foolish not to be daft or selfish by stories In this collection he
 passes on some of these wonderful children s folk and fairy tales For over sixty years Duncan travelled around Scotland on
 foot then in a horse and cart and later an old van collecting tales which not only come from the Travelling People but from
 the crofters farmers and shepherds he met along the way This collection includes tales about cunning foxes and storytelling
 cats hunchbacked ogres and beautiful unicorns helpful broonies and mysterious fairies rich kings and fearsome warriors as
 well as those about ordinary folk trying to make their way in the world The stories have been written down as faithfully as
 possible to Duncan s unique storytelling voice full of colour humour and life Architectural Record ,1903 *Mental*
