Play the Way You Feel Kevin Whitehead,2020-04-01 A guide to and history of movies that tell stories about jazz Play the Way You Feel looks at how on screen depictions compare to the real thing and at the often inventive ways these stories are told *Entertaining the empire* Andrew Horrall,2025-10-28 The stage entertainments known as music hall emerged in mid Victorian London just as the British began colonising large parts of the world Settlers recreated this metropolitan popular culture throughout the empire and in places under foreign control They erected music halls resembling those at home imported songs and sketches performed in amateur shows and watched touring professionals London originals were rewritten as commentaries on local conditions This activity transformed music hall into a marker of an exclusionary British identity overseas and made colonies look and sound more like Britain The result was that settlers separated by vast distances were linked by a shared popular culture The touring circuits and cultural affinities the Victorians created endure to this day

Gotera,Rachel Morgan,J. D. Schraffenberger,Grant Annis George Tracey,1926 Crawfish Mountain Ken Wells,2008-12-18 Ken Wells s highly acclaimed picaresque Catahoula Bayou novels introduced one of the most compelling voices in fiction of the last decade Los Angeles Times Now Wells is back writing about his favorite subject the exotic beleaguered Louisiana wetlands in a sharp rollicking tale of corporate corruption and political shenanigans The fight over one man s tract of sacred marsh fronts a deeper story of our place in the environment and our obligations to it Justin Pitre s marsh island a legacy of his trapper grandfather is a scenic rival to anything in the Everglades and he has promised to protect it from all harm But he hasn t counted on oil bigwig Tom Huff s plans to wreck his bayou paradise by ramming a pipeline through it When cajolery doesn t sway Justin to sign the land over Huff turns to darker methods But Justin and his spirited wife Grace prove to be formidable adversaries and the game is on

Into the fray comes the charismatic Cajun governor Joe T Evangeline who seems more interested in chasing skirts than saving Louisiana's eroding coast The Guv though is a man on the edge upended by a midlife crisis and torn between a secret political obligation to Big Oil and the persuasive powers of Julie Galjour a feisty environmentalist Julie is clearly out to reform more than the Guv's ecopolitics but will his tragicomic Big Oil deals wreck both his career and his chances with the brash and beautiful activist As Justin and Grace battle to stop this Big Oil assault the plot thickens and the Guv becomes snared in the web Featuring a gumbo of eccentrics and lowlifes a kidnapping a sexy snitch a toxic waste dumping scheme a boat chase and a fishing trip gone horribly awry Crawfish Mountain spiced with Ken Wells's keen eye for locale showcases his adventurous storytelling Survive to Thrive: Journey of Dr. Rajesh Soin Vinit K.
