*Mother Goddam* Whitney Stine, 1957 One of Hollywood's famous actresses offers a running commentary of personal sidelights to the movies in which she appeared *Mother Goddam* Whitney Stine, 1974-01-01 **Mother Goddam** Whitney Stine, 1983-11 **"I'd Love to Kiss You--"** Whitney Stine, 1991 *George Arliss* Robert M. Fells, 2004 By any reasonable expectation George Arliss should not have succeeded as a star either on stage or in film Yet he achieved a career enjoyed by very few in the performing arts An actor author playwright and filmmaker George Arliss won acclaim for his work first on the stage and then later most improbably as a Hollywood movie star His films achieved the rare distinction of being both artistic and financial successes Though he was neither young nor handsome Arliss found popular acclaim for his many historical characterizations such as Voltaire Nathan Rothschild Cardinal Richelieu and Benjamin Disraeli Robert Fells traces Arliss's life and times through his film work providing a thoroughly researched and entertaining view of one of the most important yet neglected figures in film history The book also reviews the actor's uneasy relationship with screenwriters his clashes with British film producer Michael Balcon his championing of young unknowns such as Bette Davis and James Cagney and his prosecution by the British Government during World War II It also includes a complete filmography and a selected stageography of Arliss's work Includes 20 photos **Destiny: The Extraordinary Career of Pianist Eileen Joyce** David Tunley, Victoria Rogers, Cyrus Meher-Homji, 2017-11-01 Born in Tasmania the Australian pianist Eileen Joyce was destined for the great concert halls of the world and a career that established her at the international pinnacle of twentieth century pianism In depth essays in this book examine her studies in Germany her appearances as a glamorous concert artist her starring roles on film her fascination with the harpsichord and embrace of early music and her many acclaimed recordings With listings of Joyce's concerto and solo recital repertoire and the most complete discography to date this is an informative new account of the extraordinary career of a consummate artist *Anatole Litvak* Michelangelo Capua, 2015-02-13 During his 40 year career director producer Anatole Litvak 1902-1974 made films of all genres in Russia Germany England France and the United States His rootless background was cited by critics lamenting his lack of consistent style but it also added to his mystique as a chameleon like realisateur Litvak directed Hollywood greats like Edward G Robinson John Garfield Kirk Douglas Ingrid Bergman Vivien Leigh Sophia Loren Anthony Perkins Olivia de Havilland Yul Brynner Burt Lancaster Barbara Stanwick and many others He was twice nominated for Best Director by the Academy of Motion Picture Art and Sciences for *The Snake Pit* 1948 and for *Decision Before Dawn* 1951 These films along with *Mayerling* 1936 *Sorry Wrong Number* 1946 and *Anastasia* 1956 are considered classics but his pictures don't offer many clues about Litvak the man Apart from passing references to his wartime service as combat documentarian he never discussed his life in print allowing only brief interviews relating exclusively to his work This biography fills that void providing the first detailed portrait of an artist described by film historian Richard Schickel as an adept adaptable and prolific man the kind of director that Hollywood likes best **Focus**
