Language Learning Online: Towards Best Practice Uschi Felix,2026-02-02 This important and accessible book identifies the key elements in the quest for best practice in online language teaching The authors all of them international experts who have made significant contributions to the debate about how to exploit the new technologies consider online language teaching from three crucial perspectives design tools and pedagogy Their recommendations are such that they can actually be realised in spite of the limitations of today s educational environments The book demonstrates that the new technologies offer far greater potential for authentic encounters and constructivist learning than even the best classroom simulations that automated exercise and feedback structures can be

individualised and meaningful and that if we have to teach fully by distance these ventures no longer need to represent impoverished versions of live classes but can engender a strong sense of community To achieve this we need to understand what elements constitute good design both in technical and pedagogical terms to think seriously about providing the best feedback possible and to have the courage to take the risks associated with letting go of traditional learner teacher relationships

Multilingualism, Second Language Learning, and Gender Aneta Pavlenko, Adrian Blackledge, Ingrid Piller, Marya Teutsch-Dwyer, 2011-04-20 This volume presents a comprehensive introduction to the study of second language learning multilingualism and gender An impressive array of papers situated within a feminist poststructuralist framework demonstrates how this framework allows for a deeper understanding of second language learning a number of language contact phenomena intercultural communication and critical language pedagogy The volume has wide appeal to students and scholars in the fields of language and gender sociolinguistics SLA anthropology and language education *NEST METHODOLOGIES* Mr. Charitharth Sindhu & Others, 2017-10-02 Concept and Application of NEST Methodologies in the context of Secondary and High Secondary Education in School *Language International* ,1995 *Fluent Forever* Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER For anyone who wants to learn a foreign language this is the method that will finally make the words stick A brilliant and thoroughly modern guide to learning new languages Gary Marcus cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old Gabriel Wyner speaks six languages fluently He didn't learn them in school who does Rather he learned them in the past few years working on his own and practicing on the subway using simple techniques and free online resources and here he wants to show others what he's discovered Starting with pronunciation you'll learn how to rewire your ears and turn foreign sounds into familiar sounds You'll retrain your tongue to produce those sounds accurately using tricks from opera singers and actors Next you'll begin to tackle words and connect sounds and spellings to imagery rather than translations which will enable you to think in a foreign language And with the help of sophisticated spaced repetition techniques you'll be able to memorize hundreds of words a month in minutes every day This is brain hacking at its most exciting taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day
