**Practical Observations on the Lord's Supper** C. Matthew McMahon, Therese B. McMahon, 2024-05-20 Practical Observations on the Lord's Supper offers an in depth exploration into the significant spiritual act of participating in the Lord's Supper going beyond mere ritual to reveal a deep spiritual communion with Christ This book does not engage in theological debates or critique differing perspectives instead it focuses on the experiential aspects of the Supper emphasizing the personal and communal relationship with Christ that is nurtured through this sacred practice McMahon explores the essence of the Lord's Supper presenting it as more than just a ceremonial partaking of bread and wine more than a memorial It is depicted as an intimate dialogue with Christ a moment of joyful and comforting communion that has the potential to elevate the believer's spiritual life McMahon explains the Apostle Paul's concept of worthy participation drawing from 1 Corinthians 11 to highlight how such engagement with the Supper can lead to a spiritual exchange of divine grace and blessings Through participation in the Lord's Supper believers are invited to a deeper understanding and connection with Christ It is an occasion for Christ to impart His spiritual grace fostering the believer's sanctification and growth in faith The Supper is portrayed as a pivotal expression of fellowship with Christ allowing believers to partake in His benefits and merits and by faith grow in their walk before him This work encourages readers to reflect on their personal approach to the Lord's Supper urging them to seek a more meaningful and enriching experience that strengthens their bond with Christ It is a call to recognize the Supper as a vital expression of spiritual fellowship a sacred sign of unity with Christ that demands reverence and thoughtful engagement Practical Observations on the Lord's Supper is an essential read for anyone seeking to deepen their understanding of this central Christian sacrament and to enhance their spiritual journey through a more purposeful and fulfilling participation in the Lord's Supper

**Sensitive to Listen and Willing to Obey** Doris M. Arwine, 2014-05 God uses people daily to communicate His fragrance and message to us Too often we don't check to see what aroma or impression we are leaving for others to see hear or smell After visiting someone's home or before checking out of a motel or when moving we double check to make sure we haven't left anything behind Even criminals check to make sure they haven't left any clues at the crime scene to identify them A story reminded me of this A robber thought he had committed the perfect crime He assumed he left no clues behind But he didn't count on someone remembering how he smelled The smell he left behind was what helped convict him Yes we leave something everywhere we go Stuart Holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasn't leaving anything behind There's one thing you will leave behind young man your influence

**THE PROPHETIC LEXICON** Paul Iyare, 2025-12-13 I have also spoken by the prophets And have multiplied visions I have given symbols through the witness of the prophets Hosea 12:10 In dreams and visions God speaks in parables and these parables often involve signs symbols and numbers which require the help of the Holy Spirit and the Holy Scriptures to be understood Many have sought to interpret

the signs and symbols in dreams through diverse models and frameworks However many of these approaches attempt to decode divine messages through the wrong lenses but Jesus offers us the opportunity to understand the mysteries and unravel the enigmas in our dreams and visions Matthew 13 10 17 Dreams are a spiritual language Just as languages like English have dictionaries that serve as guides for understanding the Bible is the believer's primary dictionary and ultimate guide for life Through years of scriptural study and prophetic experience the author has condensed various biblical truths found in the signs and symbols of Scripture for the Bible is replete with them to produce this lexicon The author also explores the meanings of contemporary signs and symbols not found in Bible times yet commonly present in people's dreams today

Godhead The goal of organic salvation is the building the corporate expression of the Triune God in Christ through the church the mingling of God with man and the enlargement and expansion of God The secret of all the experiences of God s organic salvation and the building of God is the Spirit with our spirit that is the consummated Spirit being and working together with the believers created and regenerated spirit Romans further reveals that the believers need to reign in life over all things for the Body life cf 8 17 29 12 5 By experiencing grace upon grace the believers reign in life not only over sin death and Satan but even over all things To reign in life is to conquer subdue and rule over Satan the world sin the flesh ourselves and all the environmental circumstances and to subdue all kinds of insubordination The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 16 1 4 5 16 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
