## Los Increíbles:

*From Romanticism to Modernismo in Latin America* David William Foster, Daniel Altamiranda, 1997 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory , Third Generation Gangs and Transnational Cartels John P. Sullivan, 2025-05-20 Third Generation Gangs and Transnational Cartels brings closure to the long running Small Wars Journal El Centro Anthology series edited by Dr John P Sullivan and Dr Robert J Bunker under the auspices of the Small Wars Foundation The curated work focuses on Latin American gangs cartels and the cross cutting issues related to them Its forty four chapters and supporting front and back essays highlight the important contributions of some forty scholars and practitioners in the fields of criminal insurgency gang studies and transnational organized crime The chapters span the mid 2018 through later 2024 period with the inclusion of late 2024 and early 2025 essays specifically written to give context and provide analysis related to this work The anthology benefits from a Foreword provided by Dr Rashmi Singh an Afterword offered by Dr Alexandra Phelan and a Postscript written by Dr Mahmut Cengiz

**Literatura Hispanoamericana** David W. Foster, 2014-05-22 This Spanish language anthology contains selections by 45 Latin American authors It is intended as a text for upper division Latin American literature survey courses The anthology presumes a high level of linguistic command of Spanish and it contains footnotes to allusions and cultural references as well as words and phrases not found in standard bilingual dictionaries used in the US Emphasis is on major 20th century writers while important works from colonial and 19th century literature as also included The diverse selections of Literature Hispanoamericana will enable students to have a more sustained exposure to major voices of Latin American literature than possible in anthologies built around fragments By focusing on fewer authors but more significant selections from their writings students will have a greater grasp of major canonical figures as well as emergent voices **Intersecting Health, Livability, and Human Behavior in Urban Environments** González-Lezcano, Roberto Alonso, 2023-05-03 The promotion of sustainable urban development and livable cities in the past three decades has effectively merged the themes of urban health urban sustainability and urban livability into an integrated research field As more people are predicted to live in a relatively confined space the balance between the physical built environment social environment and urban dwellers becomes more delicate Urban systems have evolved to be more complex than ever during this process While complex systems often offer relative stability delicate balance requires carefully designed plans and management to avoid collapse It is hence of great interest and importance to know what future sustainable and livable cities look like **Intersecting Health Livability and Human Behavior in Urban Environments** considers how to improve the quality of the environment and healthy living in contemporary and future urban environments Covering key topics such as environmental health smart cities and urban health this premier reference source is ideal for policymakers government officials scholars researchers academicians
