## **Losing Uncle Tim:**

*Losing Uncle Tim* MaryKate Jordan,1989 Daniel tells about his friendship with his uncle and about how he learns that his uncle is dying from AIDS     [Losing Uncle Tim](#) ,     [Over the Rainbow](#) Michelle Ann Abate,Kenneth B. Kidd,2011 Significant essays on LGBTQ topics in children's literature     [The Transformative Potential of LGBTQ+ Children's Picture Books](#) Jennifer Miller,2022-05-23 2023 CHOICE Outstanding Academic Title In [The Transformative Potential of LGBTQ Children's Picture Books](#) Jennifer Miller identifies an archive of over 150 English language children's picture books that explicitly represent LGBTQ identities, expressions, and issues. This archive is then analyzed to explore the evolution of LGBTQ characters and content from the 1970s to the present. Miller describes dominant tropes that emerge in the field to analyze historical shifts in representational practices, which she suggests parallel larger sociocultural shifts in the visibility of LGBTQ identities. Additionally, Miller considers material constraints and possibilities affecting the production, distribution, and consumption of LGBTQ children's picture books from the 1970s to the present. This foundational work defines the field of LGBTQ children's picture books thoroughly yet accessibly. In addition to laying the groundwork for further research, [The Transformative Potential of LGBTQ Children's Picture Books](#) presents a reading lens critical optimism used to analyze the transformative potential of LGBTQ children's picture books. Many texts remain attached to heteronormative family forms and raced and classed models of success. However, by considering what these books put into the world as well as problematic aspects of the world reproduced within them, Miller argues that LGBTQ children's picture books are an essential world-making project and seek to usher in a transformed world as well as a significant historical archive that reflects material and representational shifts in dominant and subcultural understandings of gender and sexuality     [Ties That Stress](#) David Elkind,2009-06-30 What has happened to the American family in the last few decades? And what are these changes doing to our children? David Elkind, author of [The Hurried Child](#), attempts to answer such questions. This book, the culmination of his inquiry, puts together all the puzzling facts and conflicting accounts to show us what the American family has become.

**Parenting Through Crisis** Barbara Coloroso,2010-01-26 In this companion to her bestselling [Kids are Worth It](#), parenting educator Barbara Coloroso shows how parents can help children find a way through grief and sorrow during the difficult times of death, illness, divorce, and other upheavals. She offers concrete, compassionate ideas for supporting children as they navigate the emotional ups and downs that accompany loss, assisting them in developing their own constructive ways of responding to what life hands them. At the heart of her approach is what she calls the T A O of Family Time, Affection, and Optimism, coupled with her deep understanding of how people move through grief. Barbara Coloroso's clear answers to difficult questions are enriched by uplifting humor and insightful anecdotes from her own experiences as a Franciscan nun, mother of three, and her thirty years as a parenting educator.
