Uncommon Ground Timothy Keller, John Inazu, 2020-04-14 How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel Join bestselling author Timothy Keller and legal scholar John Inazu as they bring together illuminating stories to answer this vital question In *Uncommon Ground* Keller and Inazu bring together a thrilling range of artists thinkers and leaders to provide a guide to living faithfully in a divided world including Lecrae a recording artist songwriter and record producer Claude Richard Alexander Jr senior pastor of The Park Church in Charlotte North Carolina Rudy Carrasco a program officer for the Murdock Charitable Trust Sara Groves a singer and songwriter Shirley V Hoogstra president of the Council for Christian Colleges and Universities Kristen Deede Johnson a professor of theology and Christian formation at Western Theological Seminary Warren Kinghorn a professor of psychiatry and theology at Duke University Tom Lin president of InterVarsity Christian Fellowship Trillia Newbell director of community outreach for the Ethics and Religious Liberty Commission of the Southern Baptist Convention Tish Harrison Warren an Anglican priest at the Church of the Ascension in Pittsburgh Pennsylvania With varied and enlightening approaches to reaching faithfully across deep and often painful differences *Uncommon Ground* shows us how to live with confidence joy and hope in a complex and fragmented age Praise for *Uncommon Ground* For anyone struggling to engage well with others in an era of toxic conflict this book provides a framework steeped in humility that is not only insightful but is readily actionable I m grateful for the vulnerability and wisdom offered by each of the twelve leaders who contributed to this book The task of learning to love well neighbors and enemies alike is long and urgent and it can be costly And yet as this book shows us because it is the work of Jesus we can pursue this love with great hope Gary A Haugen founder and CEO International Justice Mission

The River and the Road Arthur Young, 2010-01-20 meta http equiv Content Type content text html charset utf 8 meta name ProgId content Word Document meta name Generator content Microsoft Word 11 meta name Originator content Microsoft Word 11 link rel File List href file C DOCUME 1 A Young LOCALS 1 Temp msohtml 1 01 clip_filelist xml if gte mso 9 Normal 0 false false false MicrosoftInternetExplorer4 endif if gte mso 9 endif if gte mso 10 endif In this daring debut Mr Young sketches a portrait of an idealized and unfortunately too uncommon journey to redemption which is advanced as the blueprint for both the would be proselyte and the would be proselytizer Our nameless narrator who brings an open but critical perspective ponders the deep questions of life as he searches along the River for truth meaning purpose and ultimately a new beginning Accompanied by a compassionate and insightful Christian who uniquely understands the true significance of the River and the Road he faces intellectual and moral challenges from diverse directions that threaten his worldview Interwoven with the gospel

themes both false and true are a number of other encounters with angels skeptics seekers tempresses and travelers with a variety of religious viewpoints The allegory illuminating and penetrating through stressing the fundamental notion of salvation from sin not only its consequences aims to undercut some of the most prevalent misconceptions of the gospel message today The result is a narrative that will both delight and educate is both ponderous and free flowing and will both entrench Christians in some of their most beloved doctrines and challenge the very foundations of their theology
