The Story of William the Silent and the Netherland War Mary Olivia Nutting, 1869 Valerie Sara Stridsberg, 2019-08-06 A fever dream of a novel strangely funny entirely unconventional Valerie conjures the life mind and art of American firebrand Valerie Solanas In April 1988 Valerie Solanas the writer radical feminist author of the SCUM Manifesto and would be assassin of Andy Warhol was discovered dead at fifty two in her hotel room in a grimy corner of San Francisco alone penniless and surrounded by the typed pages of her last writings In Valerie a nameless narrator revisits the room where Solanas died the courtroom where she was tried and convicted of attempting to murder Andy Warhol the Georgia wastelands where she spent her childhood and was repeatedly raped by her father and beaten by her alcoholic grandfather and the mental hospitals where she was shut away A leading feminist in Sweden and one of the most acclaimed writers in Scandinavia Sara Stridsberg here blurs the boundaries between history and fiction self making and storytelling madness and art love and tragedy Through imagined conversations and monologues reminiscences and rantings she reconstructs this most intriguing and enigmatic of women reaching back in time to amplify her voice and bring her powerful heartbreaking story into new light

The Skirts of Chance Alfred Thompson (Captain.), 1893 House of Lilies Justine Firnhaber-Baker, 2024-05-21 A joy to

read one of the most entertaining popular history books published in recent years Dan Jones Sunday Times this is the definitive history of the Capetians the crusading dynasty that made the French crown the wealthiest and most powerful in medieval Europe and forged France as we know it today In House of Lilies historian Justine Firnhaber Baker tells the epic story of the Capetian dynasty of medieval France showing how their ideas about power religion and identity continue to shape European society and politics today Reigning from 987 to 1328 the Capetians became the most powerful monarchy of the Middle Ages Consolidating a fragmented realm that eventually stretched from the Rh ne to the Pyrenees they were the first royal house to adopt the fleur de lys displaying this lily emblem to signify their divine favor and legitimate their rule The Capetians were at the center of some of the most dramatic and far reaching episodes in European history including the Crusades bloody waves of religious persecution and a series of wars with England The Capetian age saw the emergence of Gothic architecture the romantic ideals of chivalry and courtly love and the Church s role at the center of daily life

Evocatively interweaving these pivotal developments with the human stories of the men and women who drove them House of Lilies is the definitive history of the dynasty that forged France and Europe as we know it **Guns Will Keep Us**

fake it The fashion industry is as hardworking incestuous and political as any other and it s virtually impossible given the size of designers egos to sincerely wish someone else well because behind every false tribute is It should have been me So writes Joseph Abboud who fell in love with style at five There in the dark of the movie house he wasn t just some Lebanese kid with a babysitter He was the hero in tweeds and pocket squares That s where he learned that clothes represented a better life a life he wanted and would grab for himself From his blue collar childhood in Boston s South End to his spread collar success as one of America s top designers he has forged a remarkable path through the unglamorous business of making people look glamorous He transformed American menswear by replacing the traditional stiff shouldered silhouette with a grown up European sensuality He was the first designer to win the coveted CFDA award as Best Menswear Designer two years in a row and the first designer to throw out the opening pitch at Fenway Park He s been jilted by Naomi Campbell who didn t show up on the runway for his first women s fashion show and questioned by the FBI who did show up in his office right after September 11 because he fit the profile He s soared and sunk more than a few times and lived to tell the tales Threads is his off the record take on fashion from the inside out With breezy irreverence he looks at guys and taste divas and deviousness fabric and texture and all those ties He takes us to the luxe bastion of Louis Boston where he came of age and learned the trade and to the seductive domain of Polo Ralph Lauren where he became associate director of menswear design He reveals the mystique of department store politics what s what at the sample sale and who copies whom He explains the process of making great clothes from conception and sketch to manufacturing and marketing Whether he s traveling by daredevil horse plunging plane Paris Metro or cross country limo Abboud is an illuminating guide to a complex world
