## Lost Diary:

*The Lost Diary* Horace Bleackley, 1919      **The Lost Diary** Lucia St. John, 2013-12 Forrest England finds a little girl's diary and his life is about to change. Shunning his wife and kids over and over again, Forrest delves into the life of an abused Andrea Deveaux. Fighting the yearning to protect the little girl is a losing battle, and his overwhelming longing to shield her soon becomes an obsession. An obsession not only for the little girl in the diary but also for the now grown woman who wrote that diary many years ago. Through Andrea Deveaux's entire young life, she lived in fear of Mr Hyndman and her mother. When Mr Hyndman wasn't abusing her sexually, she was a punching bag for her mother. Pouring her heart out on the pages of her pink diary was her only solace. That diary was her safe place. Now a thirty-four-year-old Andrea still sees Mr Hyndman lurking in the shadows. Though the diary has been lost for twenty-two years, the silver key that opened it hangs on a chain around Andrea's neck. She grabs the key as once again her terror is heightened by the blue-eyed monster. Although Forrest and Andrea have never met, they will find themselves in a myriad of twists and turns and from afar both battling the same harrowing demons. Both will realize that not only are the demons real, but they are much, much too close to home.      *The Lost Diary* Julie White, 2014      **Nakky's the Lost Diary** Aarya Nakky, 2015-01-19 Nakky's *The Lost Diary* is an outcome of the thought: Humans Are The Aliens. HATA is a first volume among the series. The protagonist, Mr Deigo, who is blessed with precognition, runs into nightmares every night which usually come true in the following day but leaving him in a vulnerable situation though he dreams what is about to ensue in the day. When he was left with no one to share about his dreams, he decides to inscribe them in a diary. After a series of nightmares, he, on one day in his dream, is heeded by a voice which leaves him the message: Two lives, 10 days. Don't meet Rejo, dies, bounding him between the four walls of his house for ten days. What did he dream these ten days? Who are the two lives, and what happens if he meets them? This is the main plot of the story. After ten days are complete, he gets the wings to fly off the house during which he loses the diary. The *Lost diary* is then found by four university students. How will the nightmares in the diary make the students believe in Deigo, and how do they react? This plays a crucial role in the story. The two lives are a prostitute lady and a blind man who are trodden at heart with great miseries in their life. How did their relation build? What are their miseries, dreams in life, and the love that crept between them? This would be an inspiring and hooking part of the plot. They are something to do with the aliens getting into power, as said by the smoke man, presuming him as an alien front runner. To know if the smoke man gets the aliens into power or not, one should definitely read Nakky's *The Lost Diary*.      **The Lost Diary of Don Juan** Douglas Carlton Abrams, 2008-07 Capturing the decadent and dangerous world of the Spanish Golden Age, this historical novel explores universal questions about the nature of love and desire brought to life through Don Juan's secret childhood in a convent to his inescapable fall into the madness of love.      Lost May Betancourt Jr., 2010-11-04 When does dieting end and an eating disorder begin?
