Lost In Church:

Lost in Church Jonathan Cash,2002 For the Son of Man came to seek and to save what was lost Luke 19 10 NIV Week after week you sit peacefully in church You think everything is OK But do you really hear the groaning of our lost world Can you hear the cries of young girls with unwanted pregnancies the hateful words from the couple who once vowed to love one another the tired excuses of the overworked the driven the defeated Or are their cries muffled by the gossip in the next pew the self seeking prayers the unforgiving attitudes barely hidden behind a faade of outward holiness Out of this chaos hear a Voice of hope It comes from One who seeks to rescue the wounded liberate the enslaved revive the disheartened But His message is not just for the lost world it s for the lost in church If lately you ve been feeling more hypocritical than holy more apathetic than authentic more critical than caring If limits on what or how much you will forgive have crept in If you ve been seeking the gifts rather than the Giver If you ve found yourself spreading gossip instead of grace If you realize the intimacy you once had with God has dried up Then journey with Jonathan Cash as his transparent words help to truly satisfy the longing in your heart and renew your relationship with the Lord Your heavenly Father longs to restore your spirit and show you how to live as you find your way home

Lost Church Alan Billings,2013-01-17 In trying to understand the relationship of the British people to religion specifically Christianity we tend to say that people believe or do not attend or do not The argument of Lost Church is that the majority of people do not really fit either of these categories Rather they belong in the sense that they feel some affinity to Christianity and the Church they are not hostile to its ministers they do not find churches alien places to be and they turn to the Church and its clergy on specific occasions But they do not want to attend regularly and their beliefs may be incoherent or even nonexistent and often flicker on and off like a badly wired lamp This absorbing and encouraging volume is a call to lay Christians and clergy to take stock of what is happening and to recover an understanding of the Church that will not alienate those who belong but rather enable ministry to them to continue

Lost and Found Ed Stetzer,Richie Stanley,Jason Hayes,2009-02-01 Who are the young unchurched and how can they be reached with the good news of Jesus Christ In a poll result highlighted by CNN Headline News and USA Today nearly half of nonchurchgoers between the ages of twenty and twenty nine agreed with the statement Christians get on my nerves Now researchers behind the larger study present *Lost and Found* a blend of dynamic hard data and modern day parable that tells the real story of an unchurched generation that is actually quite spiritual and yet circumspect open to Jesus but not the church As such *Lost and Found* is

written to the church using often surprising results from the copious research here to strike another nerve and break some long established assumptions about how to effectively engage the lost Leading missiologist Ed Stetzer and his associates first offer a detailed investigation of the four younger unchurched types With a better understanding of their unique experiences they next clarify the importance each type places on community depth of content social responsibility and making cross generational connections in relation to spiritual matters Most valuably *Lost and Found* finds the churches that have learned to reach unchurched young adults by paying close attention to those key markers vetted by the research Their exciting stories will make it clear how your church can bring searching souls from this culture to authentic faith in Christ Those who are lost can indeed be found Come take a closer look *Not All Who Wander (Spiritually) Are Lost* Traci

Rhoades,2020-05-15 A delightfully written exploration of faith for those who are searching and for those who are settled What if we stopped trying to find the perfect church in the right Christian tradition and intentionally explored our faith with all our Christian brothers and sisters Can Christians embrace God fully by exploring other faith traditions In *Not All Who Wander* we discover that we do indeed find Jesus in a church and traces of him in our everyday lives as well *Not All Who Wander* walks readers through the author s faith journey and how her experience with churches in a number of traditions has left her longing for more of Jesus than any one church offers It also presents stories from other believers to give readers a sense of how alike and different our spiritual experiences can be Rhoades has developed a passion for discovering all the ways we worship Jesus and invites readers to join her With utter delight she s discovered no matter which traditions she worships with Jesus meets her there **The Lost Heiress** Emma Dorothy Eliza Nevitte Southworth,1854 The story of a heroine rescued by her father from a domineering suitor

You Lost Me David Kinnaman,Aly Hawkins,2016-06-21 Is the Church Losing the Next Generation More than half of all Christian teens and twentysomethings leave active involvement in church Based on research conducted by the Barna Group *You Lost Me* exposes ways the Christian community has failed to equip young adults to live in but not of the world to follow Christ in the midst of profound cultural change This wide ranging study debunks persistent myths about young dropouts and examines the likely consequences for young adults and for the church if we maintain the status quo The faith journeys of the next generation are a challenge to the established church but they can also be a source of hope for the community of faith Kinnaman with the help of contributors from across the Christian spectrum offers ideas for pastors youth leaders parents and educators to pass on a vibrant lasting faith and ideas for young adults to find themselves in wholehearted pursuit of Christ **Perranzabuloe, the lost church found: or, The Church of**
