Lost Mother:

The Dead Mother Gregorio Kohon, 1999 The Dead Mother brings together original essays in honour of Andr Green Written by distinguished psychoanalysts the collection develops the theme of his most famous paper of the same title and describes the value of the dead mother to other areas of clinical interest psychic reality borderline phenomena passions and identification The concept of the dead mother describes a clinical phenomenon sometimes difficult to identify but always present in a substantial number of patients It describes a process by which the image of a living and loving mother is transformed into a distant figure a toneless practically inanimate dead parent In reality the mother remains alive but she has psychically died for the child This produces a depression in the child who carries these feelings within him into adult life as the experience of the loss of the mother's love is followed by the loss of meaning in life Nothing makes sense any more for the child but life seems to continue under the appearance of normality The Dead Mother is a valuable contribution to literature on psychoanalytic and psychotherapeutic approaches to grief loss and depression A Lost Mother George Barlow, 1892 The Lost Mother Anne Summers, 2010 My mother had just turned ten in mid 1933 when a young woman approached her as they were both leaving Mass at St Joan of Arc's in Brighton The woman was an artist and she would like to paint her portrait After her mother's death in 2005 Anne Summers inherits a portrait of her mother as a child Mesmerised by this image she finds herself drawn into the story of how the portrait was painted and eventually found its way into her family She soon learns the artist painted another portrait of her mother this time as the Madonna In a gripping narrative that is part art history part detective story and part meditation on the relations between mothers and daughters Anne's search for the Madonna painting and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths Her search soon turns into a parallel quest to rescue Constance Stokes the artist from obscurity and to learn why the collector suddenly abandoned the paintings Along the way Anne finds she must face the truth of the relationship she had with her mother In turn hypnotic and moving The Lost Mother is a powerful exploration of art loss and love A Lost Mother George Barlow, 2019-04-04 **The Lost Mother** Mary McGarry Morris, 2006 Since the publication of her astonishing debut Vanished Mary McGarry Morris has been compared with John Steinbeck and Carson McCullers and widely praised as a superb storyteller The Washington Post and one of our finest American writers The Miami Herald Now in her sixth novel Morris has achieved new heights with her riveting chronicle of the Talcotts a family in rural Vermont during the Great Depression Abandoned by his beautiful wife Irene Henry and their two young children Thomas and Margaret spend that summer in a tent on the edge of Black Pond Henry an itinerant butcher struggles to provide for them but often must leave them alone as he travels the county in search of work And while Henry loves his children deeply he is devastated by their mother's desertion He has not told them why she left or if she'll return When Mrs Phyllis Farley a prosperous neighbor begins to woo the children as companions for her strange housebound son Henry must weigh an unusual proposition the
