*The Lost Weekend*, 1996      The Lost Weekend Billy Wilder, Charles Brackett, 2000-12-05 Jane Wyman also delivers a powerful performance as his faithful girlfriend Helen St James whose selfless love offers Birnam a hope of redemption

**Alcohol in the Movies, 1898-1962** Judy Cornes, 2006-10-03 A 1906 film called *The Dream of a Rarebit Fiend* shows a man drinking and eating voraciously at a restaurant then going home to bed In the surreal scenes that follow furniture disappears tiny devils poke the man's head with pitchforks and his bed hurls itself out the window and across the city But it wasn't commentary on drinking rather it was a showcase of early special effects double exposure photography panning shots and montage Turn of the century films typically treated drinking as a subject for comedy and ridicule and the comic possibilities translated well into silent movies As talkies developed and the film industry matured alcohol's portrayal was reflected in the times prohibition the Great Depression the war years and as social commentary Here is a study of 64 years of alcohol as portrayed in film The author begins with the appearance in 1898 of what is probably the first commercial a 30 second film of men in kilts dancing and the words Scotch Whiskey appearing in the background The final film is 1962's *Days of Wine and Roses* which addresses alcoholism The author includes a film from each decade those with artistic or historical value those that represent the comedy drama and musical genres and well known pictures such as *The Lost Weekend* and *A Star Is Born* The first three chapters cover 1903 to 1939 The remaining chapters follow not a timeline but the growing complexity of the movies A recurring motif is the use of the term white logic a phrase used by writer Jack London in his 1913 memoir *John Barleycorn* It refers to disillusionment with everyday life brought on by and exacerbated by alcohol An annotated filmography lists the date source and other relevant information about movies in this study      **Dashing to the End** Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907-1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland's extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder's *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland's life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End: The Ray Milland Story* is the first comprehensive biography of the star Milland's personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland's costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of

Sam Thomas,1995 Crown s third collection of great screenplays showcases the screenwriter s contribution to eight memorable films encompassing more than half a century of American cinema Sam Thomas has written a major introduction and provided background information on each of the eight screenplays and their screenwriters     Billy Wilder Joseph McBride,2021-10-26 The director and cowriter of some of the world s most iconic films including Double Indemnity Sunset Blvd Some Like It Hot and The Apartment Billy Wilder earned acclaim as American cinema s greatest social satirist Though an influential fixture in Hollywood Wilder always saw himself as an outsider His worldview was shaped by his background in the Austro Hungarian Empire and work as a journalist in Berlin during Hitler s rise to power and his perspective as a Jewish refugee from Nazism lent his films a sense of the peril that could engulf any society In this critical study Joseph McBride offers new ways to understand Wilder s work stretching from his days as a reporter and screenwriter in Europe to his distinguished as well as forgotten films as a Hollywood writer and his celebrated work as a writer director In contrast to the widespread view of Wilder as a hardened cynic McBride reveals him to be a disappointed romantic Wilder s experiences as an exile led him to mask his sensitivity beneath a veneer of wisecracking that made him a celebrated caustic wit Amid the satirical barbs and exposure of social hypocrisies Wilder s films are marked by intense compassion and a profound understanding of the human condition Mixing biographical insight with in depth analysis of films from throughout Wilder s career as a screenwriter and director of comedy and drama and drawing on McBride s interviews with the director and his collaborators this book casts new light on the full range of Wilder s rich complex and distinctive vision     "The Lost Weekend" Charles Jackson,1951     **Billy Wilder, Movie-Maker** Karen McNally,2014-01-10 Billy Wilder s work remains a masterful combination of incisive social commentary skilled writing and directing and unashamed entertainment value One of Hollywood s foremost emigre filmmakers Wilder holds a key position in film history via films that represent a complex reflection of his European roots and American cultural influences This wide ranging collection of essays by an international group of scholars examines the significance of Wilder s filmmaking from a variety of original perspectives Engaging with issues of genre industry representation and national culture the volume provides fresh insights into Wilder s films and opens up his work to further exploration     *The World Almanac and Book of Facts* ,1950     **Screenwriters** José Guilherme Correa,2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their

readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script As a former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited     *Audio-visual Guide* ,1945     *Film and Radio Discussion Guide* ,1943     *Group Discussion Guide* ,1944     Leonard Maltin's Movie Encyclopedia Leonard Maltin,1994 Maltin s long awaited comprehensive Who s Who of Hollywood is entertaining and informative as only Maltin can make it A must reference for any moviegoer s bookshelf and the perfect companion to his bestselling Movie and Video Guide Satellite TV tour     *Variety Presents the Complete Book of Major U.S. Show Business Awards* Mike Kaplan,1985
