## **Lost Yesterdays:**

**Yesterday's Lost (Yesterday's Paranormal Mysteries, Prequel)** Sam Cheever, 2018 An old house a shadowy night a tortured spirit two lives irretrievably changed Pratt Davies is a police detective with the Saint Louis PD He's comfortable in his role confident that he's seen just about everything there is to see Until he and his partner answer a call to enter a home where blood curdling screams speak of horrific violence Inside the disturbing house he encounters a strange icy mist and something malevolent waiting just beyond view Pratt's confidence is shaken his worldview smashed into tiny pieces like shards of glass from a broken mirror His partner comes out of that house damaged both physically and mentally unable to even form a coherent response Pratt is so shaken he can barely function And he still has a murder to solve Who killed the couple living in that terrible house What haunted the mist obscuring the scene How did Pratt's partner end up bleeding and babbling on the floor something evil oozing through her gaze And how is Pratt broken and terrified himself ever going to solve a murder that has every indication of having been born in the ether **Memories in Serenade** Kevin M.

Isaac, 2010-02 Memories in Serenade captures the psychic musing of a purpose driven poet intent on embracing the world against a backdrop of unyielding obstacles woven into a tapestry of pain sorrow hope joy and love It also captures the poet's fascination with language as much as with life and takes us on his journey which so often juxtaposes fantasy with reality as if second nature This collection allows us to accompany the poet as he takes small steps though significant steps along the road to understanding and responding in healthy ways to life's vicissitudes and attaining self actualization **Tris Speaker**

**and the 1920 Indians** Gary Webster, 2012-08-10 During the Cleveland Indians checkered 110 year history only two of its teams have brought home baseball's ultimate prize While the 1948 team continues to be revered by Clevelanders little has been written about the 1920 team that won the city's first pennant and World Series Few if any World Series championship teams faced as much adversity as did the 1920 Indians Among the obstacles they faced were the death of their star pitcher's wife in May the shadow of the Chicago Black Sox scandal and the tragic deadly beaming of shortstop Ray Chapman the only fatal injury ever sustained by a major league player on the field of play This chronicle of that extraordinary season highlights an overlooked chapter in the history of one of baseball's most beloved underdogs Surviving Schizophrenia & Mind and Soul Poetry Bob Crew, 2007-03 By Bob Crew ISBN 9781847471178 Published 2007 Pages 170 Key Themes poetry

Description This book of poetry provides us with a wide ranging picture of mental health in the UK and the contribution that poetry can make to a better understanding of our mental condition and the reasons for it The eighteen poems in this collection are written in remembrance of the late Roy Crew who suffered from schizophrenia in Britain from the 1940s until the 1960s They are written by his brother Bob Crew who is a published poet who visited Roy regularly and observed him carefully throughout his long illness They tell the story of Roy's illness and ultimate survival and they are the kind of poems that Roy could not have written for himself because his condition was too severe and he had no apparent talent for poetry
