

A medieval manuscript illustration. In the foreground, a figure in a dark, hooded robe stands with their back to the viewer, looking towards a distant castle. The figure is positioned on a grassy slope. In the background, a large, multi-towered castle sits atop a hill, surrounded by greenery. The scene is framed by the dark, leafy branches of a tree in the upper left corner. The overall style is characteristic of late medieval manuscript illumination, with a focus on narrative and symbolic elements.
