**Handbook of the Reception History of the Bible** Michael Lieb,Emma Mason,Jonathan Roberts,2013-01-10 This wide ranging volume looks at the reception history of the Bible s many texts Part I surveys the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the interpretation of particular biblical passages or books    [Merriam-Webster's Encyclopedia of World Religions](#)

**Apologetics, Mission and New Religious Movements: A Holistic Approach** Philip Johnson,2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson s work apart from earlier studies of cults and new religions At the same time his work is innovative in other ways    *The documents of Iriki, illustrative of the development of the feudal Kanichi Asakawa,1929*    *Beliefs to Beware of* David C Cook Publishing Company,Paul Borthwick,1993 Each Custom Curriculum book includes a how to article from experts in youth ministry like Mike Yaconelli and Duffy Robbins Then there s publicity clip art and five complete Bible based sessions Each session includes a fast paced program of icebreakers thought provokers carefully chosen Bible passages application and personal challenges Plus reproducible handouts and a 14 point 5 page plan for customizing your event You ll use these sessions over and over again

[The Documents of Iriki](#) Kan'ichi Asakawa,1929    [False Dawn](#) Lee Penn,2004 The interfaith movement which began with the 1893 World s Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today s interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are

poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In The Reign of Quantity and the Signs of the Times French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non's time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion.org *The will of God in daily life, 6 addresses* William Lachlan Mackintosh, 1894

**Systematic Theology** James Leo Garrett, 1990 Volume 2 of Garrett's widely praised Systematic Theology interprets five major Christian doctrines the work of Jesus Christ the person and work of the Holy Spirit becoming a Christian and living the Christian life the church and the last things **The Kingdom of the Cults** Walter Martin, 1985 Since the first edition was published in 1965 The Kingdom of the Cults has been the authoritative reference work on major cult systems Updated regularly it continues to be a crucial tool in countercult ministry and evangelism for teachers and pastors as well as lay Christians **Unificationism** Sebastian A.
