Lord Sin:

Royal Correspondence of the Assyrian Empire Leroy Waterman, 1930 **Works of John Bunyan — Complete** John Bunyan, 2022-05-28 The Works of John Bunyan Complete encapsulates the rich tapestry of Bunyan's theological writings, allegories, and sermons crafted in the 17th century during a time of intense religious upheaval and personal tribulation. Notably, the collection includes the seminal *The Pilgrim's Progress*, a profound allegory of spiritual journey framed in accessible yet evocative prose. Bunyan's plain style, characteristic of Nonconformist literature, skillfully employs allegory and dialogue to explore deep moral and spiritual themes, engaging readers in a dialectic that resonates across time and tradition. His works emerge from the context of Puritanism, navigating the struggles against religious discrimination and personal sin, which imbue his narratives with both urgency and universal resonance. John Bunyan, an English Baptist preacher born in 1628, drew upon his own experiences of imprisonment and inner conflict to inform his writings. His remarkable journey from a tinker to a revered theologian unfolded against a backdrop of persecution for his nonconformity, solidifying his commitment to express faith through the written word. With a prolific output that reflects his struggles and convictions, Bunyan became a significant figure in theological literature. Readers seeking a deep exploration of faith and human experience will find *Works of John Bunyan Complete* an invaluable addition to their literary and spiritual libraries. Bunyan's insight into the human condition and the mechanics of faith offers timeless wisdom, making his works essential not only for scholars but for anyone navigating the complexities of spiritual belief.

The Biblical Illustrator - Vol. 60 - Pastoral Commentary on 1 Peter Charles Spurgeon, Alexander Maclaren, Henry Ward Beecher, 2013-11-05 This ebook version of *The Biblical Illustrator: Pastoral Commentary on 1 Peter* contains nearly 1200 pages of commentary. What if Charles Spurgeon helped you prepare next Sunday's sermon? Or what if you could talk over your preaching with Joseph Parker, Richard Baxter, Henry Ward Beecher, and H. P. Liddon? Do you think it would make a difference to get the input of some of the greatest preachers who ever lived? That's precisely what Joseph Exell had in mind when he put together the massive series of volumes called *The Biblical Illustrator*. In what can only be called a Herculean feat, he spent years gathering preaching notes and sermon outlines from the very best preachers of his day in the late 1800s and early 1900s, and he did it covering every book of the Bible. And it is amazingly comprehensive. Exell approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past. Though there is plenty of exegetical material here, this is not primarily a commentary. This series is for preachers, teachers, Bible students, and anyone else looking for penetrating pastoral insights from some of the all-time greats of the faith.
