Yesterday's Ghosts Nikhil Pradhan,2020-11-25 A SECRET FORGED IN THE HEART OF WAR A TEAM OF DISGRACED SPIES A CODE THAT SHOULDN T EXIST It s been three decades since Black Team disbanded in the wake of a disastrous war in Sri Lanka Three decades since they set eyes on each other Three decades since they decided to lock away their secret forever The four men now in their fifties and sixties have moved on with their lives and have no intention of returning to the place where it all went wrong However when each of them receives a mysterious message written in a once familiar code they realize that their secret has followed them home From the author of Cold Truth comes a terrifying story of secrets that come home to roost **Mademoiselle** ,1995-07 How to Lose Weight & Stay Slim - The Easy Way Micheal

Reid,2017-12-20 Losing weight and staying slim really can be easy once you know how and this eBook gives you the how But what s different about this eBook among the 1000s of weight loss eBooks already out there promising the same And why should you buy it This eBook focuses not just on diet but on the most important area when it comes to weight loss the mindset It s the missing link that is so crucial for long term consistent weight loss results Because changing your mindset makes it MUCH easier to lose weight and keep it off With other methods the mindset is SO overlooked and neglected This

eBook helps reduce information overload by focusing on just 2 methods not 10 So there is far less trial and error and more certainty These 2 methods give very effective long term results With the least amount of time and effort They can work for anyone 1 To focus on reducing the volume of food you eat 2 To know the correct mindset to allow you to achieve this consistently Although weight loss and the mind can be quite complex subjects This is the only in depth eBook that can show you how to succeed in both areas But without getting complicated and boring It keeps things simple with a common sense approach This makes the information easier to apply The eBook is a short read too It tells you just what you need to know and nothing else This eBook gets straight to the point It doesn't waste your time This eBook also talks about habits Habits are very powerful and can run your life in the right or wrong way This eBook can show you how to change your mental and physical habits for good without relying on motivation It will teach you methods that can take years to figure out Methods that most people will never know Just applying a few of them could be all it takes to achieve your weight loss goals This eBook acknowledges that one size does not fit all and can meet many needs It uses an approach which makes it easier to handle food cravings And to keep the weight off in the long run All without leaving you feeling deprived Once you read this eBook you'll see how easy it can be to lose weight and keep it off You won't find this information or anything like it in other eBooks It can work for anyone even if you've failed many times to lose weight in the past
