The Wonder of Touch William E. Dorman, 2021-04-19 The central message of this book is that the well being of body mind spirit and planet requires that we nurture our connections From our skin to the cosmic to sights and sounds to the Transcendent this book takes us by the hand to marvel at how life itself is a constellation of interrelationships of touch We cannot not touch and be touched Humans live in a biosphere of touch the touch thriving and bustling within our bodies the touch of our relationships with family and friends the touch between neighbors the touch with Mother Nature and the touch with the Transcendent Selfishness and self centeredness are the powers withering us and the planet In our confrontation with our anxiety at death guilt and meaningless we sever the very interrelations that nourish and enrich life It is imperative as perhaps never before that we restore our touch with our deepest selves others Mother Nature and the Transcendent
