*Inheritance* Nora Roberts, 2023-11-21 1806 Astrid Poole sits in her bridal clothes overwhelmed with happiness. But before her marriage can be consummated she is murdered and the circle of gold torn from her finger. Her last words are a promise to Collin never to leave him. Graphic designer Sonya MacTavish is stunned to learn that her late father had a twin he never knew about and that her newly discovered uncle Collin Poole has left her almost everything he owned including a majestic Victorian house on the Maine coast which the will stipulates she must live in it for at least three years. Her engagement recently broken she sets off to find out why the boys were separated at birth and why it was all kept secret until a genealogy website brought it to light. Trey the young lawyer who greets her at the sprawling clifftop manor notes Sonya's unease and acknowledges that yes the place is haunted but just a little. Sure enough Sonya finds objects moved and music playing out of nowhere. She sees a painting by her father inexplicably hanging in her deceased uncle's office and a portrait of a woman named Astrid whom the lawyer refers to as the first lost bride. It's becoming clear that Sonya has inherited far more than a house. She has inherited a centuries old curse and a puzzle to be solved if there is any hope of breaking it.

**The Seven Rings** Nora Roberts, 2025-11-18 The 1 New York Times bestselling author Nora Roberts concludes her compelling Lost Bride trilogy as two women one dead one alive prepare for a terrifying final showdown. Long ago Arthur Poole built a grand house overlooking the turbulent ocean in a Maine village that bore his name. Today Sonya MacTavish lives in that house a manor that has been cursed for generations. Within its walls she has witnessed the deaths of seven brides and the thefts of seven wedding rings. And now to break the curse and banish a malevolent spirit once and for all a difficult task must be completed. After Sonya her boyfriend Trey and their friends are forced to hear see and feel the suffering of the house's many ghosts as their torment is reenacted by the evil presence their bond only strengthens and their anger is renewed. Refusing to let her spirit be broken Sonya searches each room for clues to her ancestors hidden story putting the picture together unearthing small treasures and uncovering the moments of joy that existed among the sorrows. She's determined to bring light to this haunted place to fill it with people with life and hope once again. But the enemy in the black dress continues to hover to come at her in frightening forms. They may be illusions but illusions can be powerful enough to wound and kill. She feeds on fear and lies are her weapon. This dark hearted witch wants to be mistress of Poole Manor at any cost. And Sonya will need to fight a battle across two realms to finally take possession of the house on the clifftop and of her own future.
