## **Lost Leader:**

**Labour's Lost Leader** Paul Tyler,2007-06-29 The life story of Will Crooks has a Dickensian resonance As a working class child born into abject poverty he experienced the rigours of Poplar Workhouse and Poor Law school Nearly forty years later Crooks became Chairman of the Poplar Board of Guardians the very board that had given him shelter during his challenging early years Crooks was a member of the Coopers Union for fifty five years and a leading pioneer of the trade union and Labour movement for over thirty This significant and sometimes controversial figure has been overlooked by modern historians Here Paul Tyler presents a pioneering political biography of a significant Labour figure at both a local and national level and an important reinterpretation of the early trade union and labour movement from the 1880s to the 1920s **The**

Commerce,1938 **A Lost Leader** Edward Phillips Oppenheimer,2021-11-11 A political mystery from prolific author E Phillips Oppenheim A Lost Leader follows the fortunes of former Liberal politician Lawrence Mannering Content with his retired life in the country his former colleagues require his talent for the future good of the party Blackmail proves to be the only way to bring Mannering back into the political fold in London A story full of political intrigue suspense and mystery A Lost Leader also provides a fascinating insight into the world of early 20th century British politics E Phillips Oppenheim 1866 1946 was a hugely prolific and highly popular British author of novels and short stories Born in Tottenham London

Oppenheim left school as a teenager and worked for his leather merchant father for 20 years prior to launching his literary career Oppenheim published five novels under the pseudonym Anthony Partridge before establishing his reputation as a writer under his own name An internationally successful author Oppenheim's stories revolved mainly around glamourous characters luxurious settings and themes of espionage suspense and crime He is widely regarded as one of the earliest pioneers of the thriller and spy fiction genre as it is recognised today Oppenheim's incredible literary success meant that his own life soon began to mirror that of his opulent characters He held lavish Gatsby style parties at his French Villa and was rumoured to have had frequent love affairs aboard his luxury yacht Oppenheim's success earned him the cover of Time magazine in 1927 Some of his most well known novels include The Great Impersonation The Long Arm of Mannister and The Moving Finger **A Lost Leader** ,2005 In The Shadow of Mandela Alexander Johnston,2019-12-12 This outstanding and

original work goes to the heart of South Africa's political problems doubts as to the sustainability of the post apartheid settlement beset with divisions in the ruling ANC factionalism corruption and the widening of fault lines in state and society The leadership issue has become key and this will be the first specific examination of leadership in the light of Mandela's legacy and its effect on his successor as potential and actual leaders all in the shadow of Mandela as the architect of the

transition from apartheid to democracy and with overarching moral authority and international reputation Alexander Johnston shows how his successors are judged against Mandela's achievements including the potentially impressive lost leaders and concentrating on his immediate successors Thabo Mbeki and Jacob Zuma The book concludes with an in depth assessment of new president Cyril Ramaphosa's potential to be a leader for a new dawn This is an objective and critical work by a close observer who acknowledges the achievement of South African leadership but is acutely aware of the doubts as to the sustainability of South Africa's hard won democratic settlement An essential read for all readers interested in leadership and in the traumatic history and future of Africa's leading state as the continent rises to global importance The Lost Leader: a Study of Wordsworth Hugh I'anson 1895-1965 Fausset,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Problems of the Fishing Industry United States.
