John G Root Jr,2024-06-12 Money makes the world go round This should be Money goes round the world We have a world economy that could be benefiting everyone Money is like manure it is only good when it is spread around Everyone s work needs to be fertilized with the right amount of money for society to be healthy Money is the root of all evil or the love of money is the root of all evil Do we assume that the problem is human nature not money itself This book demonstrates that the problem is not human nature and it is not money itself The problem is who issues the money how it is issued and what it is issued for Monetary reform is necessary but not sufficient to bring about the world we know in our hearts To bring about the world we know in our hearts we must share that knowing with each other This book aims to show that when the individual is Free to express the love that wells up naturally to fulfill their life s purpose when society is Just because it is based on the people s active consent and participation in adjudicating remediating harm and when everything that the people provide each other to satisfy their needs and desires is the result of a voluntary initiative inspired and supported by the Community and funded as a right then the individual will be sovereign and will be creating contributing to and maintaining a society that benefits everyone     *The Essential Science Fiction Television Reader* J.P.
