Lost Cities Forgotten Tribes:

Lost Cities and Forgotten Tribes Richard F. Dempewolff,1976 **The Last Civilization** Charles Brough,2010-11 The terrorism continues with no end in sight over population grows ever more serious our natural resources are being depleted and corruption runs rampant Will these problems ever be solved The continuing events point to an impending breakdown of our civilization The threat of a new world wide plague mass starvation and nuclear war increases each year No solution is in sight without an understanding of social evolutionary natural selection and how it has shaped world affairs throughout both history and prehistory Only by learning how ideology shapes society is it possible to know what must happen in order for people to be active in the transition from the old into a new society and civilization The author covers topics such as our primate small group social behavior the development of the matriarchal agricultural ideological system the ideology involved in barbarism and the rise of the patriarchal monogamous ideologically based societies and their civilizations Learn why the green revolution is falling behind the biologically related build up of stress and how lagging energy supplies will affect the world Two of the last chapters lay out the structural make up of every successful mainstream world view ideological system They use that to build a facsimile of what the core of such a new and advanced system would have to be like to succeed a perpetual lack of which would ensure that this is indeed The Last Civilization because no other can follow without it *I Found Atlantis* Henry B. Ambrose,2005-12 The book *I Found Atlantis* has solved the Mystery of Atlantis The research shows that Atlantis The Garden of Eden and Noah s Ark all occurred at the same time place and were the same people In 4 243 BC an Egyptian astronomer discovered that the star Sirius rose at sunrise This caused the earth to shift on its axis causing the North Pole to tilt toward the sun The glaciers melted and the water level rose in the Atlantic Ocean It reached its zenith 3 700 BC and submerged Atlantis Great Britain was once known as Atlantis See my website at [www ifoundatlantis com](http://www.ifoundatlantis.com)
