James Churchward, 1961 *The Lost Continent of Mu* James Churchward, 1926 **The Lost Continent of Mu. Illustrated** James Churchward, 1937 **The Lost Continent of Mu** James Churchward (Colonel.), 1931 **Children of Mu** James Churchward, 1996 **The Sacred Symbols of Mu** James Churchward, 2014-06-26 Mu is the name of a suggested lost continent whose concept and the name were proposed by 19th century traveler and writer Augustus Le Plongeon who claimed that several ancient civilizations such as those of Egypt and Mesoamerica were created by refugees from Mu which he located in the Atlantic Ocean This concept was popularized and expanded by James Churchward who asserted that Mu was once located in the Pacific *The Lost Continent of Pan* Susan B. Martinez, 2016-12-15 Reveals the Pacific Ur culture that seeded the ancient civilizations of China Egypt India Mexico and Peru Shows how the Pan diaspora explains the similarities between Gobekli Tepe and Toltec carvings and stone towers in Japan and on Easter Island Reveals the mother tongue of Pan hidden in shared word roots in vastly different languages including Quechua Sanskrit Japanese Greek and Sumerian Explains the red haired Caucasian mummies of China the Ainu of Japan the presence of white humans in early Native American legend and other light skinned peoples found in Southeast Asia and the Middle East The destruction of the vast continent of Pan also known as Lemuria or Mu in the Pacific Ocean 24 000 years ago was the greatest catastrophe that ever befell humanity Yet it resulted in a prehistoric Golden Age of arts and technology thanks to the Sons of Noah who forewarned and prepared for the disaster escaped in 5 organized fleets Theirs was the masterful Ur culture that seeded

China Egypt India Mexico and Peru explaining the sudden injection of the same advanced knowledge and sophisticated arts into those widely separated lands Examining the diaspora from the sunken continent of Pan Susan B Martinez finds traces of the oceanic Pan civilization in arts and technologies from canal works masonry and agriculture to writing weaving and pottery but most importantly in the art of navigation the hallmark of the survivors of the catastrophe Using archaeo linguistic analysis she reveals the mother tongue of Pan hidden in strikingly similar words for royalty deities and important places in vastly different languages including Quechua Maori Sanskrit Japanese Chinese Greek and Sumerian as well as English through the prefix pan which denotes all encompassing The author reveals how the Pan diaspora explains the mound builders on each continent the presence of white humans in Native American legend the red haired mummies found in China and the Ainu of Japan She shares recent genetic studies that reveal Polynesian DNA in central Europeans Mesopotamians South Americans and the 9000 year old Kennewick man and shows how Pan provides the missing link She reveals why carvings at Gobekli Tepe are similar to Toltec artistry why stone towers in Japan and Easter Island are identical and how the Pacific Ring of Fire was activated Moving the Garden of Eden from the Fertile Crescent to the South Seas Martinez strikes down the pervasive view of Atlantis as the source of ancient knowledge and exposes the original unity of mankind on the ancient Pacific continent of Pan

Origin Myths of Mu Learn Alchemical,2025-09-11 Beneath the surface of history lies a deeper current the legend of Mu a lost Pacific homeland said to be the cradle of all civilization Origin Myths of Mu explores the echoes of this vanished world not as mere fantasy but as myth memory and cultural inheritance From Polynesian stories of Hawaiki to Tamil legends of Kumari Kandam from the ruins of Nan Madol to the mysteries of Easter Island myths of drowned continents and forgotten motherlands resound across the globe These tales speak of catastrophic floods sunken lands and migrations that shaped humanity s imagination stories that mirror real geological upheavals and rising seas at the end of the Ice Age Blending archaeology geology mythology and spirituality this book traces how Mu has been remembered and reimagined as James Churchward s Motherland of Man as a New Age Eden of harmony and light and as an enduring archetype of paradise lost In Mu we find more than a sunken continent we find humanity s longing for origins unity and a home beyond time Origin Myths of Mu is both an exploration and an invitation to listen to the voices of myth to read the symbols carved in stone and memory and to recognize that even if Mu never existed as land it endures as one of humanity s most powerful stories of who we are and where we come from

Earth's Catastrophic Past and Future William Hutton,Jonathan Eagle,2004-08 Edgar Cayce America s best documented psychic gave upwards of 44 readings that dealt with lost continents geophysical changes to Earth beginning

1958 1998 and a pole shift due to begin about now In this book geologist William Hutton and researcher Jonathan Eagle look for correspondences between results of geophysical research studies and psychic descriptions of prehistoric catastrophes They also seek scientifically to test readings predictions of catastrophic Earth changes all the while investigating the following fascinating subjects Development and calibration of a comprehensive pole shift model The countries predicted to be most affected by a sudden 1 pole shift The geologic trend for a mineralized gold vein at Bimini Bahamas The authors discoveries of correlations between a 2002 arctic earthquake and the eruption of torrid area volcanoes the dropping of atom bombs in 1945 and a significant increase in sunspots following and the peaceable nature of Europe in 1645 1715 and the period s near total lack of sunspots Cayce readings implied or predicted all three phenomena The first ever analysis of the sources of Cayce s channeled readings including a ranking of the veracity and reliability of the most important Earth changes and pole shift readings Moralistic reasons for future catastrophic geophysical changes to Japan China and America Locations of post pole shift safety lands in Canada and America Locations of the records of the Atlantean civilization to be found when Earth changes begin How to awaken to the New Cycle presently opening before humanity Evidence for Atlantis in the mid Atlantic ridge area and for Lemuria or Mu in the Pacific The consuming religious war in which we find ourselves and an answer to world conditions today Visions of an imminent Age ending fire as found in a Cayce reading in a channeled book by Phyllos the Tibetan and in the 1960s visions of girls at Garabandal Spain Doubtful interpretations of Earth changes and pole shift readings advanced by managers and writers of Cayce s legacy organization the Association for Research and Enlightenment Inc From the Foreword by the Editor The acid test of pole shift and other Earth change predictions is their scientific credibility If true momentous societal and political changes are imminent The geopolitical map of the world will be redrawn The authors are exploring the transition from the end of one Age to the beginning of another *Sacred Symbols of Mu* James Churchward, 2017-12-29 Mu was a lost continent in the Pacific Ocean which was destroyed in a global cataclysm tens of thousands of years ago Mu was the original home of mankind and all subsequent civilizations descended from it The Pacific islands and their inhabitants are supposed to be the last survivors of this primordial motherland Churchward s Mu was a huge continent which stretched from Micronesia in the West to Easter Island and Hawaii in the East He also believed in a literal mid Atlantic Atlantis He proposed a global network of huge gas filled caverns which if vented could cause large areas of land to be submerged He claimed that while posted in India he befriended a priest Rishi who revealed to him ancient tablets written in an otherwise unknown language The Rishi taught him how to read this language Naacal The tablets described the land of Mu the Lemuria of the Theosophists He also claimed that he was able to discern writing from Mu on a mysterious set of tablets discovered in Mexico by an explorer named William Niven **The Sacred Symbols of Mu** James Churchward, 2011-05-26 Mu as a lost Pacific Ocean continent was later popularized by James Churchward 1851 1936 in a series of books beginning with *Lost Continent of Mu the Motherland of Man* 1926 re edited later as *The Lost Continent Mu*

1931 Other popular books in the series are *The Children of Mu* 1931 and *The Sacred Symbols of Mu* 1933 Churchward claimed that more than fifty years ago while he was a soldier in India he befriended a high ranking temple priest who showed him a set of ancient sunburnt clay tablets supposedly in a long lost Naga Maya language which only two other people in India could read Having mastered the language himself Churchward found out that they originated from the place where man first appeared Mu The 1931 edition states that all matter of science in this work are based on translations of two sets of ancient tablets the clay tables he read in India and a collection 2 500 stone tablets that had been uncovered by William Niven in Mexico p 7 Churchward gave a vivid description of Mu as the home of an advanced civilization the Naacal which flourished between 50 000 and 12 000 years ago was dominated by a white race p 48 and was superior in many respects to our own p 17 At the time of its demise about 12 000 years ago Mu had 64 000 000 inhabitants and many large cities and colonies in the other continents Churchward claimed that the landmass of Mu was located in the Pacific Ocean and stretched east west from the Marianas to Easter Island and north south from Hawaii to Mangaia He claimed that according to the creation myth he read in the Indian tablets Mu had been lifted above sea level by the expansion of underground volcanic gases Eventually Mu was completely obliterated in almost a single night p 44 after a series of earthquakes and volcanic eruptions the broken land fell into that great abyss of fire and was covered by fifty millions of square miles of water p 50 Churchward claimed that Mu was the common origin of the great civilizations of Egypt Greece Central America India Burma and others including Easter Island and was in particular the source of ancient megalithic architecture As evidence for his claims he pointed to symbols from throughout the world in which he saw common themes of birds the relation of the Earth and the sky and especially the Sun Churchward claims the king of Mu was Ra and he relates this to the Egyptian god of the sun Ra and the Rapanui word for Sun ra a which he incorrectly spells raa 8 p 48 He claimed to have found symbols of the Sun in Egypt Babylonia Peru and all ancient lands and countries it was a universal symbol 8 p 138 Churchward attributed all megalithic art in Polynesia to the people of Mu He claimed that symbols of the sun are found depicted on stones of Polynesian ruins such as the stone hats pukao on top of the giant moai statues of Easter Island Citing W J Johnson Churchward describes the cylindrical hats as spheres that seem to show red in the distance and asserts that they represent the Sun as Ra p 138 He also incorrectly claimed that some of them are made of red sandstone 8 p 89 which does not occur in the island The platforms on which the statues rest ahu are described by Churchward as being platform like accumulations of cut and dressed stone which were supposedly left in their current positions awaiting shipment to some other part of the continent for the building of temples and palaces p 89 He also cites the pillars erected by the Maori of New Zealand as an example of this lost civilization s handiwork p 158 In Churchward s view the present day Polynesians are not descendants of the dominant members of the lost civilization of Mu responsible for these great works but survivors of the cataclysm that adopted the first cannibalism and savagery in the world

Churchward, 2018-12-05 AT THE time of my parting with the Rishi after seven years of study under him and when I thought I knew it all he placing his hand on my shoulder said Go forth my son into nature s schoolhouse and learn for at present you know nothing except how to learn Every old rock with its wrinkled and gnarled face is speaking a tale of the past if you will but listen e very leaf on tree or bush and every flower and blade of grass growing out of the ground has a whisper for listening ears Nature is the great schoolhouse of knowledge from which man is taught Nature is God speaking In my previous books I endeavored to show the high state attained by the Earth s First Civilization the state they had arrived at after 200 000 years of study and experience and how man then learnt his lessons from nature a study which brought him into a closer touch with his Heavenly Father I showed that his sciences were mere copies of nature Even his geometry and geometrical figures were taken from flowers He carried these flower symbols into his art so that today we find his ancient statuary and structures based on regular progressive geometrical lines The same geometrical figures were used in explaining and teaching religion In this work I have tried to show the ancient sciences in their grander and more sublime form taking a step nearer to the Creator himself Yet told in childlike simplicity as was the custom of the ancients unencumbered with technology and hard words to understand James Churchward *Lost Continents & the Hollow Earth* David Hatcher Childress, Richard S.
