## **Lost Ecstasy:**

*Lost Ecstasy* June McDaniel,2018-06-26 This book is a study of religious ecstasy and the ways that it has been suppressed in both the academic study of religion and in much of the modern practice of religion It examines the meanings of the term how ecstatic experience is understood in a range of religions and why the importance of religious and mystical ecstasy has declined in the modern West June McDaniel examines how the search for ecstatic experience has migrated into such areas as war terrorism transgression sexuality drug use and anti institutional forms of spirituality She argues that the loss of religious and mystical ecstasy as both a religious goal and as a topic of academic study has had wide ranging negative effects She also proposes that the field of religious studies must go beyond criminalizing trivializing and pathologizing ecstatic and mystical experiences Both religious studies and theology need to take these states seriously as important aspects of lived human experience    *Lost Ecstasy* Mary Roberts Rinehart,1927 Kay Dowling was used to luxury expensive pleasures and the gentlemen who could afford them But when she accompanied her wealthy family to her late grandfather s ranch it was ordinary Tom McNair who caught her eye Then Tom was arrested for a not so ordinary murder and Kay s life was turned upside down But she was determined to help Tom prove his innocence even if she had to put her own life in danger to do it
