Lost Madonna:

The Lost Madonna Kelly Jones, 2007-02-06 Thirty years after leaving Florence with a broken heart Suzanne Cunningham is back determined to solve the mystery of what happened to a priceless painting from her past and to the man who forever changed the course of her life

The Lost Madonna Isabelle Holland, 1982 *The Development of the Italian Schools of Painting: The local schools of north Italy of the 14th century* Raimond van Marle, 1924 **The Development of the Italian Schools of Painting** Raimond van Marle, 1924 *The Development of the Italian Schools of Painting* Raimond Van Marle, 2013-03-14 The preparation of this volume and of those that have stiU to foUow necessitated a fairly long sojourn in Great Britain and I feel that I must express my gratitude to all those with whom I came in contact for the continuation of this work Here I should like to convey my personal appreciation which I feel sure is shared by every historian of art of the kindness of Sir Robert and Lady Witt whose collection incredibly rich in reproductions of works of art is open to students in a manner which is as cordial as it is useful My relations with private collectors and with the officials of museums and other collections will always remain a very happy souvenir and once more I wish to thank more particularly Mr Arthur M Hind of the Print Room of the British Museum for all that he did to facilitate my study of this marvellous collection of drawings and prints

Sal 1 Marca di Perugia December 1928 INTRODUCTION After the death of Cosimo de Medici Florence lost for a short time that perfect harmony of tendencies which united the noble seigneur with all his surroundings and with the artists and which during the first generation of the Renaissance was so fruitful *The Development of the Italian Schools of Painting* Raimond Van Marie, 2013-06-29 At the outset of this work I thought it possible that I might have to lay down my pen at the end of the fifth volume but it is with considerable pleasure I learn that my readers have been in great enough number and sufficiently satisfied with the work for my editor and myself to continue the enterprise and undertake a study of the fifteenth century similar to that which has already appeared on the fourteenth The spontaneous manifestations of sympathy that I have received from many different countries give me the impression that there exists a group of readers who will not be disappointed to hear of my intention to continue this history of Italian painting at least until the end of the fifteenth century which is a period not in any way less glorious than those with which I have already dealt I should like to give one word of warning to the authorities of galleries and to private collectors who of late have started buying pictures of the thirteenth century Notwithstanding the fact that the interest in this form of art is of recent date the amount of factitious paintings of this period is already very considerable Many of them are half length figures of the Madonna painted on late Byzantine panels of the same subject Greek Madonnas of the sixteenth and seventeenth centuries are in this way transformed into Italian pictures of the thirteenth

Madonna Mary Gabriel, 2023-10-10 New York Times Editors Choice One of NPR's Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest

female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy s store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person s right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna s story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time

The Development of the Italian Schools of Painting Charlotte Van Marle, 2013-06-29 With the sudden and immature death of the Author this work which was planned to comprise 21 volumes has had to end with the 18th From a number of students and art critics requests have reached the publisher and myself that an index should be made of the volumes which have been published Herein their desire has been satisfied This general index is divided into two parts one for names of places so that with the greatest ease and without loss of time the student can find all the Italian paintings from early Christian times up to the end of the Quattrocento which are scattered throughout the churches galleries and private collections of Europe and America For the larger towns the material is divided into the following headings I Churches and Monasteries II Public Collections III Public Buildings and Streets IV Private Collections and this order though not indicated has always been followed for the smaller localities The second division contains the names of artists each one accompanied by dates and where possible an indication of the site of his activity The chief aim of this index is to make it easier to consult the enormous amount of material treated in the 18 volumes For the traveller who desires to know what paintings are to be found in any town this index should be a valuable vade mecum
