Seamlessly integrate iPads and iPhones into your company's IT systems using the detailed instructions contained in this practical book. *iPad & iPhone Administrator's Guide* shows you how to use iPads and iPhones as business devices and manage them tightly with Apple's enterprise tools. Learn how to connect iPads and iPhones to your organization's wireless network and mail servers; equip users with the apps they need to be productive at work and outside it; and provide access to essential data without compromising security. Plan your deployment and choose suitable iPads and iPhones. Activate iPhones quickly using iTunes activation only mode. Set up iPads and iPhones automatically using iPhone Configuration Utility. Set up Wi-Fi and VPN connections manually or with configuration profiles. Connect iPads and iPhones to Microsoft Exchange and other mail servers. Choose the best third-party apps, install them, and keep them updated. Install custom enterprise apps using provisioning profiles. Load and transfer documents via File Sharing and third-party tools. Give iPad and iPhone users remote access to your network. Manage Windows or Mac OS X servers from your iPad or iPhone. Secure iPads and iPhones with strong passcodes and wipe their contents remotely if they're stolen. Troubleshoot hardware and software problems.

*iPhone For Seniors For Dummies* Dwight Spivey, 2021-10-26 Become your own iPhone guru. Your first time using an iPhone comes with a lot of excitement. It can also be a bit intimidating. After all, it's jam-packed with apps and cool features, but there's no handy manual to help you unravel all the device's mysteries. *iPhone For Seniors For Dummies* can help you take your first iPhone steps and save you the trouble of finding someone to answer your questions. It features the tasks that you most likely want to do, like chatting on FaceTime, shooting videos and photos, and connecting on social media. It also

introduces you to the App store so that you can break away from the iPhone's pre-installed apps and really personalize your shiny gadget. The easy-to-follow steps in this book with its accompanying illustrations help you manage, personalize, and communicate using your iPhone. You discover how to do everything from shopping online and organizing appointments to taking and sharing pictures and downloading and listening to your favorite music. It provides help with brand-new iPhone models as well as older devices including how to upgrade older iPhones with the latest software. Topics include how to swipe, tap, and scroll through the iPhone interface; capture memorable photos and home videos; find apps in the App store; customize your iPhone's accessibility features; bypass the keyboard and use Siri; read books and listen to music; keep your iPhone working. If you're new to the iPhone or just need a reminder on how to do a few things, *iPhone For Seniors For Dummies* gives you all the tips and tricks you need. You'll soon be swiping and tapping its screen as if you've been doing it forever.
