Managing Your Own Money:

Budgeting: A Practical Guide to Managing Your Money the Minimalist Way (How to Take Control of Your Money, Reduce Debt and Start Living) Samuel Barraza, 2021-12-20 This book teaches the basics of budgeting that should have been taught to us all in schools. It also touches on the topic of investing your money to make it grow. We start with your goals for budgeting and saving money. We then discuss the strategies and tools that you will need to create and implement a sustainable plan. Let's have a look at some of the things you will learn: Why less is more, How to change your mindset, The basics for a minimalist budget, How to pay yourself first, What you need and what you don't, How to stick to your minimalist budget, How to track your spending, Much much more. This is a simple and understandable guide to budgeting. You will find insights, tips and tricks for a better budgeting strategy that you can apply today on your path to financial success, as well as present and future account recommendations depending on your situation. No more wondering where your money is going, it is time to take control.

Manage Your Money Like a F*cking Grown-Up Sam Beckbessinger, 2019-04-18 You're going to earn plenty of money over your lifetime. Are you going to waste it on stupid crap that doesn't make you happy or let it buy your freedom and your most audacious dreams? We never get an instruction manual about how money works. Most of what we learn about money comes from advertising or from other people who know as little as we do. No wonder we make such basic mistakes. No wonder we feel disempowered and scared. No wonder so many of us just decide to stick our heads in the damn sand and never deal with it. In *Manage Your Money Like a F*cking Grown Up* Sam Beckbessinger tells it to you straight: how to take control of your money to take control of your life. In this clear and engaging basic guide to managing your finances, you will learn: How to trick your dumb brain into saving more without giving up fun, How to make a bona fide grown up budget, Why you need to forget what you've learned about credit, How to negotiate a raise, Why buying a house probably won't make you rich, The one super simple investment you need. With helpful exercises, informative illustrations, also kittens and straightforward advice, this book doesn't shy away from the psychology of money and is empowering, humorous and helpful. The book you wish you'd had at 25 but is never too late to read.

[How to Start a Project Management Business](#) Jr. John Tuman, 2011-04-01 You can live with the volatility, insecurity and stress of today's job environment or get out of that environment, start a business and be the master of your own future. This book is a practical and straightforward guide that shows you how to start a business that is organized and operated like a project. This book will tell you what a project management business is and why it is ideal for today's global economy, explain how to start your business with little capital and minimal risk, show you how to make a substantial profit without killing yourself and give you a model for managing your business and your life in a way that is balanced, enjoyable and financially rewarding. This book is for the professional who is fed up, tired or jaded by the corporate environment, the employee who is out of work or facing job loss, the college graduate who cannot find a job or a college student who is thinking about becoming an entrepreneur.
