A Manhattan Ghost Story T. M. Wright, 1990-01-01 **The Manhattan Ghost Story Trilogy** T. M. Wright, 2014 First Book In *A Manhattan Ghost Story* A photographer Abner Cray goes to NYC to work on a coffee table photo book about Manhattan and encounters in the apartment he's renting a woman Phyllis Pellaprat with whom he falls in love She has a dark secret and so it turns out does the absent friend whose apartment he's using As he loses and searches for the woman he loves he wanders streets filled with ghosts memories and dangers he never imagined Second Book In *The Waiting Room* First person narrator Sam Feary is one of Abner's lifelong friends and he's convinced that Abner in his continuing quest for Phyllis Pellaprat who's all but left him entirely will be lost forever in the world of the dead he goes in search of Abner embarking on a journey that is as weird as Abner's own Third Book *A Spider on my Tongue* Abner some twenty five years older than when we previously heard from him is living in a small house in the middle of dark woods somewhere in New York State He's trying to escape the hold that the spirits of the dead whom he now refers to as the passing misery have had on him for decades He's convinced that Phyllis has still not left the earth entirely and Sam Feary as well who has since died Abner's first person narration is very much a plea to be free of the clinging past and at the same time to continue to be part of it ABOUT THE AUTHOR Terrance Michael T M Wright is best known as a writer of horror fiction speculative fiction and poetry He has written over 25 novels novellas and short stories over the last 40 years His first novel 1978's *Strange Seed* was nominated for a World Fantasy Award and his 2003 novel *Cold House* was nominated for a Bram Stoker Award His novels have been translated into many different languages around the world His works have been reviewed by Kirkus Reviews Publishers Weekly Library Journal Booklist and many genre magazines His first publication was the non fiction study of unidentified flying objects entitled *The Intelligent Man's Guide to Flying Saucers* currently available from Crossroad Press in 1968 for AS Barnes His seventh novel *A Manhattan Ghost Story* has had fourteen foreign editions and was optioned to be filmed in the 1980s He has written over forty short stories that have appeared in several magazines including *Twilight Zone Magazine* *PostScripts* *Cemetery Dance* *Flesh and Blood Magazine* *UpState* and *Brutarian* He has also painted book covers and done illustrations for magazines including *Brutarian* *The Spirit of the Stuyvesant* KENNETH C. HINE (SR.), Kenneth C Hine, Sr, 2024-06-08 This book is not your traditional ghost story It is a piece about an actual event that occurred in the Stuyvesant Apartments in the early 1930s within the burgeoning borough of Manhattan in New York This particular apartment complex drew artists of all kinds including painters musicians composers and entertainers The protagonist in our book was a Broadway performer from Boston whose talent gained the attention of producers of Broadway musicals He was a tremendous

star in Beantown and everything indicated that his star would continue to ascend in the bright lights of the biggest city in the young nation However life horrifically got in the way and the Stuyvesant Apartments did not become famous for being the home of this handsome talented actor dancer and singer Instead it became well known for something much darker due to the destiny of this Broadway star with unlimited potential If he did not carve the crooked path he did leading to a unique fate we may be discussing him today amongst the likes of Maurice Chevalier James Cagney and Fred Astaire But it was not meant to be And why that never came to fruition is the heart of our story It tells the true account of William Gustafson and his family Then the book jumps 20 years into the future to examine the disturbing experiences of the Myles family a single mother and young daughter who took residence in the same apartment unit that the Gustafsons occupied Again this book is based on real facts that my research of the Stuyvesant produced thorough police records and newspaper articles I hope you enjoy this twisting tale of a caustically blessed man and the people who were affected by his life *A Manhattan Ghost Story* Phil Rowlands,2014-12-10 Ebenezer Clinton Scrooge III presides over a vast media empire from his base in New York City but this Christmas Eve his world is about to descend into chaos At the centre of the nightmare is a girl with auburn hair Can he confront and exorcise the demons of his past *The Waiting Room* T. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
