Manifestations Of Thought

Manifestations Of Thought:

The Divine Law of Human Being Frank Challice Constable,1924 **The Self as a Sign, the World, and the Other** Susan Petrilli,2017-07-28 Ostentation of the Subject is a practice that is asserting itself ever more in today's world. Consequently criticism by philosophers, psychologists, sociologists and anthropologists has been to little effect considering that they are not immune to such practices themselves. The question of subjectivity concerns the close and the distant, the self and the other, the other from self and the other of self. It is thus connected to the question of the sign. It calls for a semiotic approach because the self is itself a sign; its very own relation with itself is a relation among signs. This book commits to developing a critique of subjectivity in terms of the material that the self is made of; that is the material of signs. Susan Petrilli highlights the scholarship of Charles Peirce, Mikhail Bakhtin, Roland Barthes, Mary Boole, Jacques Derrida, Michael Foucault, Emmanuel Levinas, Claude Lévi-Strauss, Maurice Merleau-Ponty, Charles Morris, Thomas Sebeok, Thomas Szasz and Victoria Welby. Included are American and European theories and theorists evidencing the relationships interconnecting American, Italian, French and German scholarship. Petrilli covers topics from identity issues that are part of semiotic views to the corporeal self as well as responsibility, reason and freedom. Her book should be read by philosophers, semioticians and other social scientists.

Merging with Śiva Subramuniya (Master.),2002 This book is a guide for one who is ready to diligently walk the spiritual path. Great new vistas open up throughout its 365 daily lessons as Gurudeva shares in the clearest terms deep metaphysical insights into the nature of God, soul and world, mind, emotions, ultimate realizations, chakras, purpose of life on earth and much, much more. Simple but effective practices are taught how to remould our nature and karmas, calm the mind, develop self-esteem, begin to meditate, clear up the past and create a bright future. At the same time, the seeker is guided in establishing a regular devotional and yogic practice whereby the gains of his inner life and realizations are stabilized and used in practical ways.
