Elsa J. Radcliffe

Mansion Of Golden Windows:

Mansion of Golden Windows Elsie Lee, 1966 Sable Lennox wasn't passionately interested in the ancestral estate of her family tree. Her trip to Scotland to check a few dates in family history started mainly as a favor to her aunt. But she became thoroughly intimately involved when her research began to unearth puzzling facts that didn't seem to fit enigmas with a vague but frighteningly sinister ring. Something was definitely wrong in Strathmuir and Sable was on completely unfamiliar ground in trying to find the right answers. And she could confide in no one since anyone could be an enemy. But there was romance as well as danger in the air for Sable, love as well as terror and tragedy, and she had the strength of a truly feminine heart to carry her through to the startling climax. Publisher: Mansion of Golden Windows Elsie Lee, 1988-06-01. As a favor to her Aunt Agnes, Sable Lennox visits the family's ancestral home and discovers mystery, danger, and romance.

Gothic Novels of the Twentieth Century Elsa J. Radcliffe, 1979. Easy to use, competently indexed, and fun to explore, this bibliography is an irresistible antidote for all forms of gothic snobbery. Recommended for gothophiliacs, gothophobiacs, and readers with idle nights and empty weekends.

The Ramayana: Kishkindhā kādam. 1891 Vālmīki, 1891.

The Ramayana (Complete) Valmiki, M. N. Venkataswami. The immortal Epic of Valmiki is undoubtedly one of the gems of literature, indeed some considering it as the Kohinur of the literary region, which has for centuries and from a time reaching to the dim and far past been shedding unparalleled and undying halo upon the domain presided over by the vision and the faculty divine. The burthen of the bard's song is the perpetual contest between good and evil that is everywhere going on in this mysteriously ordered world of ours, and which seemingly sometimes ending in the victory of the former and at others in that of the latter, vitally and spiritually results in the utter overthrow and confusion of evil and in the triumph and final conquest of good. Rāma sprung from the bright loins of the effulgent luminary of day and bringing his life and being from a long and illustrious ancestry of sovereigns, Rāma taking birth among the sons of men for chastising and repressing rampant iniquity and injustice, typifies the spirit of good that obtains in this world. Ravana, that grim and terrible ten-headed one, a Rakshasa by virtue of birth and worthy to be the chief and foremost of Rakshasas by virtue of his many misdeeds and impieties, who challenges and keeps in awe the whole host of the celestials to whom the Sun did not shine too hot and about whom the Wind did not dare to breathe, represents the spirit of unrighteousness and evil. Lakshmana, disregarding the pomp and splendours of princely life to follow his beloved brother Rāma into the forest and cheerfully undergoing there a world of trials and privations and daily and nightly keeping watch and ward over his brother and his spouse in their cottage and Bharata stoutly and persistently declining despite the exhortations of the elders and the spiritual

guides to govern the kingdom during R ma s absence in the forest and holding the royal umbrella over his brother s sandals are personations of the ne plus ultra of fraternal love and consummate and perfect ideals of their kind The righteous Bibhishana who for R ma s cause forsook his royal brother and set small store by the splendours of royalty who suffered no earthly considerations to interfere with his entire and absolute devotion to his friend embodies in his person the sterling virtues going under the precious name of friendship The ever devoted Hanumana glorying in the appellation of R ma s servant ever prompt at the beck and call of his master to lay down his life is the grandest and loftiest conception of the faithful servant that is to be found in all literature Shall we say aught of R ma and Sit or keep silence over themes too sacred for babblement and frofane mouthing The kingdom is astir and alive with the jubilations of the populace at the prospect of R ma s coronation pennons by thousands are streaming like meteors in the air at the tops of stately edifices and drums and panavas and other musical instruments are sounding forth the auspicious announcement The royal household swims in a sea of bliss surging and heaving on all sides Delight and Joy move about and laugh and talk under the names of Da ar tha and Kaucalya Anon a thunder clap bursts in the midst of the Merry making and converts delight into dole the sounds of laughter and hilarity into loud wails and lamentations issuing from hearts knowing no consolation All is lost R ma is to be banished into the woods for fourteen years He cheerfully makes up his mind and repairs to the forest in consonance with his father s promise Sit steps forth a divinity clad in flesh Sit would follow the fortunes of her lord She considers it as the height of undutifulness to remain behind continuing to enjoy the pleasures of the palace while her beloved R ma is leading a life of toils and privations in the remote woods The daughter as well as the daughter in law of kings brought up in the lap of luxury and amidst the soft ministrations of those pleasures that pertain to a royal household Sit the idol of every one s love and regard boldly and with alacrity faces all the toils and terrors of a forest life in preference to remaining in Da ar tha s residence bereft of the company of her sweet lord

Paperbound Books in Print ,1991 **The Outrider** ,1974 **The Kalevala. Volume I** John Martin Crawford,2014-06-29 A deeper and more esoteric meaning of the Kalevala however points to a contest between Light and Darkness Good and Evil the Finns representing the Light and the Good and the Lapps the Darkness and the Evil Like the Niebelungs the heroes of the Finns woo for brides the beautiful maidens of the North and the similarity is rendered still more striking by their frequent inroads into the country of the Lapps in order to possess themselves of the envied treasure of Lapland the mysterious Sampo evidently the Golden Fleece of the Argonautic expedition Curiously enough public opinion is often expressed in the runes in the words of an infant often too the unexpected is introduced after the manner of the Greek dramas by a young child or an old man
