

## *The Stars Are Mansions Built By Nature's Hand*

*The stars are mansions built by Nature's hand,  
And, haply, there the spirits of the blest  
Dwell, clothed in radiance, their immortal vest;  
Huge Ocean shows, within his yellow strand,  
A habitation marvellously planned,  
For life to occupy in love and rest;  
All that we see--is dome, or vault, or nest,  
Or fortress, reared at Nature's sage command.  
Glad thought for every season! but the Spring  
Gave it while cares were weighing on my heart,  
'Mid song of birds, and insects murmuring;  
And while the youthful year's prolific art--  
Of bud, leaf, blade, and flower--was fashioning  
Abodes where self-disturbance hath no part.*

**Mysteries of Small Houses** Alice Notley, 1998-06-01 A Pulitzer Prize Finalist Winner of the Los Angeles Time Book Prize Alice Notley vividly reconstructs the mysteries longings and emotions of her past in this brilliant collection of poems that charts her growth from young girl to young woman to accomplished artist In this volume memories of her childhood in the California desert spring to life through evocative renderings of the American landscape circa 1950 Likewise her coming of age as a poet in the turbulent sixties is evoked through the era's angry creative energy As she looks backward with the perspective that time and age allows Notley ably captures the immediacy of youth's passion while offering her own dry-eyed interpretations of the events of a life lived close to the bone Like the colorful collages she assembles from paper and other found materials Notley erects structures of image and feeling to house the memories that swirl around her in the present In their feverish intelligent renderings of moments both precise and ephemeral Notley's poems manage to mirror and transcend the times they evoke Her profound tributes to the stages of her life and to the identities she has assumed child youth lover poet wife mother friend and widow are remarkable for their insight and wisdom and for the courage of their unblinking gaze

Lloyd, 2022-03-24 In *Mansion of Poetry* the concept levitates the inspiration of Carlton Lloyd freely throughout his mind It's a life lesson spitting poetic words that vibrate like an earthquake The words sounded louder than thunder throughout creation Goodness and wisdom are like the tree of knowledge they are taught from *Mansion of Poetry* is not built from bricks stones woods or mood and steel It is built from love happiness harmony and one togetherness      *Index of Haunted Houses* Adam O.

Davis, 2020-09-01 This is a book of ghost stories and for the most part ghosts are jealous monsters intent upon our destruction They never appear overtly here yet we gradually become aware of their presence the way spirits in haunted houses trod over creaky floors slam doors and issue sudden gusts of wind The poems are Koan like the fewer the words the more charged they are The engine driving this sense of haunting and loss is money which Davis describes as federal bone boiling around us Bison in Nebraska are reduced to bones seven standing men tall fodder for the fertilizer used by farmers in the 1800s Though they often specify dates there's an equality to the hauntings every instance has its moment and persists despite being in the past present or future If there really was a 1980 or 1848 or 1499 Davis implies it is somewhere *Index of Haunted Houses* is spooky and sad a stunning debut one that will surprise convince and most of all delight      **The Houses**

**of Sin ; Poems** Vincent O'Sullivan, 1977      *The Mansions* Daniel Tobin, 2023 From award-winning poet Daniel Tobin comes *The Mansions* an epic trilogy of book-length poems which examine exemplary 20th Century figures Georges Lemaitre Simone Weil and Teilhard de Chardin Capacious in their philosophical explorations immaculate form and alchemy of faith and empiricism each complete section works autonomously while also functioning as part of a whole building a house that

contains many mansions simulating the dynamic enormity of creation itself always already entire and yet unfinished borderless infinite Immersed in a timeline when cataclysmic geopolitical events coincided with revolutionary scientific progression The Mansions charts a Dantean journey as it confronts the exigencies and contingencies which define modernity history religion our planet's fate and the purpose of humankind A fractal symphony of voices Tobin's tripartite collection represents a staggering literary achievement a lyric that can hold the totality of the divine and of godlessness that harmonizes time as change and as eternity that sees pendant grapes as embodied wine Its music is the harvest cutting free the perfectly nurtured bruise colored fruit hour by hour and its wisdom is the transience of all things and the obliteration of the self that everlasting impermanence I see the landscape as it is when I'm not there *Ottoman Poems* Elias John Wilkinson Gibb, 1882 *Poems* William Robert Fisher, 1910 *The Englishman's House, from a Cottage to a Mansion* Charles James Richardson, 1871 *The Complete Works of Geoffrey Chaucer: Romaunt of the rose. REFLECTIONS ON LIFE is NOT anything like your ordinary book of poems It is a book of freeform poetry with philosophical poetic thought provoking prose This is my first attempt at philosophical religious poetry using the photographs taken on my travels over the years Filled with depth and wonder each prose and snapshot reveals a slice of life that has been captured on paper and forever preserved in this exhilarating collection It covers over 34 subjects like Anticipation Prayer Animal Abuse Love Marriage Ideas Memory Truth in Things False Death and Solitude among other attitudes encountered by every person as they go about their daily activities This book is conceptualized to represent universal everyday matters that shape everyone s life It challenges you to ponder what it speaks about your life here on earth what it speaks about your life history and what it means to your future Those who have experienced trauma in their lives will understand that these words speak from the ages For people who are similarly in search of the answers to Life s questions there is no need to travel far The pages of this book leaves much to ponder on There is also much that is disclosed by the lens of my camera
