## **Mandy In The Middle:**

Mandy in the Middle Alice Nicole Johansson, Francine Pascal, 1996 Mandy wrestles with deciding between hanging out with the Angels who like helping people in trouble and the Unicorns who are old friends but have a tendency to be mean and selfish     Midland; a Magazine of the Middle West , 1923     **Mothering, Mixed Families and Racialised Boundaries**

Ravinder Barn, Vicki Harman, 2015-09-04 This pioneering volume draws together theoretical and empirical contributions analyzing the experiences of white mothers in interracial families in Britain Canada and the USA The growth of the mixed race population reflects an increasingly racially and culturally heterogeneous society shaped by powerful forces of globalisation and migration Mixed family formations are becoming increasingly common through marriage relationships and adoption and there is also increasing social recognition of interracial families through the inclusion of mixed categories in Census data and other official statistics The changing demographic make up of Britain and other Western countries raises important questions about identity belonging and the changing nature of family life It also connects with theoretical and empirical discussions about the significance of race in contemporary society In exploring mothering across racialised boundaries this volume offers new insights and perspectives The notion of racialisation is invoked to argue that while the notion of race does not exist in any meaningful sense it continues to operate as a social process This crucial resource will appeal to academics researchers policy makers practitioners and undergraduate and postgraduate students This book was originally published as a special issue of Ethnic and Racial Studies     *Popular Series Fiction for K-6 Readers* Rebecca L. Thomas, Catherine Barr, 2004 Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order Yet traditional information sources on children s and YA literature include very little about series fiction so librarians often have difficulty managing this literature This guide will be a rich resource and time saver for librarians who work with children It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers Annotations also indicate series and titles accepted by some of the popular electronic reading programs e g Accelerated Reading Reading First A numbered list of titles in the series follows     *Far Away Home* J.T.
