hear these types of questions and many other comments from parents on a daily basis in their counseling office and at ministry events Today more than ever before we live in a culture that is at war against our parenting Between the internet the media the sense of entitlement that kids are living with the disrespect it is almost too much We often wish we could move back to Mayberry where our biggest concern was who had set off the firecrackers in the neighbor s garage While those aren t the issues most parents are facing today Melissa and Sissy believe we can still raise children who value well values They provide a clear and possible path back to cultivating children who have a sense of character and groundedness who may not be as rampant across playgrounds and parks as they once were They paint the picture of how to raise children with manners and kindness and with a healthy sense of fear and respect both for their world and the adults around them and to do so without totally disengaging from the realities of today s world In short they believe it is still possible to instill vintage values in modern kids Modern Parents Vintage Values talks about the specific issues facing kids today helping parents to more fully understand the challenges being faced Yet Melissa and Sissy don t stop there They focus in on nine values that are foundational for the character development of children kindness integrity manners compassion forgiveness responsibility gratitude patience and confidence Each chapter is broken down into a section for children and adolescents and specific ways to foster the specific value for the particular age Modern Parents Vintage Values offers parents timeless truths that can break through the chaos of today s culture and instill these truly vintage and important values in kids
