Mans Higher Consciousneb:

Man's Higher Consciousness Hilton Hotema,1997-03 *Man's Higher Consciousness* Hilton Hotema, In *Man s Higher Consciousness* Hilton Hotema explores the concept of human consciousness and its potential for spiritual growth Drawing from various philosophical and esoteric traditions Hotema presents a thought provoking perspective on the nature of reality and the path to self realization This book offers readers a unique opportunity to contemplate the deeper aspects of existence and their own inner journey towards higher states of awareness **Man's Higher Consciousness** Prof. Hilton

Hotema,2016-01-18 In this book first published in 1962 Professor Hilton Hotema provides his insights into how we could all live longer by learning the body s simple requirements of breathing fresh air avoiding animal flesh banning any cooked food and by gradually lessening the amount of food consumed Hotema firmly believes that breathing fresh air and consuming organic fruits and natural organic liquids alone could extend our lives and also lays bare his secret that what kills at an early age is not the illusion of time but rather overeating breathing in toxic unclean air and elements such as electronic radiation dirty electricity and medications A must read for any health conscious individual **Man's Higher Consciousness** Hilton

Hotema,1998-09-01 1962 The author claims this work shows the reason why the radio television mechanism in the human skull fails to respond fully now to cosmic radiation as it did twenty thousand years ago when the Ancient Masters accumulated their Wisdom of Creation Life and Man then recorded it in fable and fiction for interpretation to those who proved by test they were worthy to receive the same The author covers subjects such as daily exercise vegetarian diet raw foods sun bathing periodical fasting deep breathing history of longevity cosmic forces secrets of the ancient masters

Syltje, 2005-03

Understanding God s Government dares to explore the nature of government at all levels its pyramidal hierarchical structure within civil religious business military and social spheres and then dissect the motivations behind their leaders It is discovered that fear is usually the prime motivator that leaders use to gain and maintain control The Creator s intended form of government for mankind however is a brotherhood based upon lateral relationships of love and concern for one s fellow man The author delves into Biblical and secular sources to elucidate the nature of today s governments elements of Godly government ideal government within the ecclesia forms of government that work and their consequences Additional articles are included by former presidential candidate Harry Browne Herbert W Armstrong James Lloyd Norman Edwards and the author Learn why future government holds so much promise within this war torn unstable world **Mind-Power Hour**

Part 1 Dr. Roger Duncan, 2024-09-17 This book has been my father s passion project and has taken him more than twenty five years to complete My father s dream for all humanity every living and breathing human being has been for people to understand universal principles pertaining to self health and well being Enough Stop being a human wanting The Mind Power Hour was written to empower those who truly desire to be enlightened about self Who are you This book is a journey into self discovery Human beings have all the fun What have you been training for Let s tap into your personal special and unique spirit self the mind We have all heard at one time or another that the mind is a terrible thing to waste I agree Worse than that is that the mind that is not trained is a terrible hand to bet on for everything that is important in one s life So let s train Your power everyone s superpower is one s mind thought processes Thinking thinking thinking simple as that that s all we do Train your brain to believe and achieve any and all things you think about Battles are won and lost first in the seclusion and privacy of our own minds I guarantee more wins once you decide it s a good idea to have a sharp trained mind Boxers don t just jump in the ring and start fighting they train train train and train some more I would say the game of life is worth winning So let s plan the work and work the plan Success awaits you *A Book About Books, Volume III of III* E. H. Bernstein, 2024-11-13 This book is Volume III of a three volume book plus accompanying website www.bookaboutbooks.com which adds to subjects already in the book or presents some books and subjects not contained in the books The other volumes are available from the same booksellers as this volume A Book about Books discusses what nonfiction books and

subjects the author believes are important to know about This book tries to point to problems in how we live and to see if books have any answers Even though the books are complete the author will update the website periodically in the future E H Bernstein is a former librarian turned author The subtitle of the book describes the author s objective A handbook in three volumes to a choice of essential books writers and subjects in order to understand the world we live in about big questions and possible answers about books and writers that may improve people s lives about neglected writers and other books and subjects A Book about Books attempts to share what the author has learned from nearly 50 years of nonfiction reading and to provide the reader with samples of the most important authors and subjects from that reading While the book is based on research it is intended to be a handbook or guide by trying to make that research understandable to the general reader and to students and for teachers by pointing to what the author believes is missing from today s education A curriculum proposal for college teachers is on the author s website Note about how the volumes are related each chapter is on a separate subject So the chapters can be read individually but the full message requires reading all the volumes Volume I is important but preliminary to the more important Volumes II and III Note also that the book is not just about books since other sources are also mentioned The author believes we should listen to many voices so the book draws on many types of writers from different times and countries The author says A contemporary writer once said that one of the purposes of writing is that books should be useful I hope that my book will be of use **We Do Not Die** Hilton Hotema,1996-09 1959 Content Man Does Not Die We Do Not Die the Supreme Power Kingdom of God the Ancient Symbol Life and Man an Imaginary Being Consciousness Life Eternal Why We Live Spiritual Consciousness Crucified God Myth Seven Sense Power Finding the
