

Manu Chao

David Cabré, Patricia Font

Manu Chao:

Clandestino Peter Culshaw, 2013-05-09 A decade ago Manu Chao's band Mano Negra toured Colombia by train negotiating with government troops and rebels an episode described at the time as less like a rock n roll tour more like Napoleon's retreat from Moscow That's Manu in a nutshell He does everything differently He is a multi million selling artist who prefers sleeping on friends floors to five star hotels an anti globalisation activist who hangs out with prostitute activists in Madrid and Zapatista leader Comandante Marcos in Chiapas a recluse who is at home singing in front of 100 000 people in stadiums in Latin America or festivals in Europe Clandestino has been five years in the writing as Peter Culshaw followed Manu around the world invited at a moment's notice to head to the Sahara or Brazil or to Buenos Aires where Manu was making a record with mental asylum inmates The result is one of the most fascinating music biographies we're ever likely to read

The Great Experiment Yascha Mounk, 2023-02-07 One of Barack Obama's Recommended Reads for Summer A brave and necessary book Anyone interested in the future of liberal democracy in the US or anywhere else should read this book Anne Applebaum A convincing humane and hopeful guide to the present and future by one of our foremost democratic thinkers George Packer From one of our sharpest political thinkers a brilliant big picture vision of how to bridge the bitter divides within diverse democracies Never in history has a democracy succeeded in being both diverse and equal treating different ethnic or religious groups fairly And yet achieving that goal is now central to the democratic project It is Yascha Mounk argues the greatest experiment of our time Drawing on history social psychology and comparative politics Mounk explains why we need to create a world in which our ascriptive identities come to matter less not because we ignore global injustices but because we have succeeded in addressing them The Great Experiment is that rare book that offers both a profound understanding of an urgent problem and genuine hope for our human capacity to solve it As Mounk contends it is up to us and the institutions we build whether we come to see each other as strangers or compatriots Giving up on the prospect of diverse democracies is simply not an option and that is why we must strive to realize a more ambitious vision for the future of our societies

Manu Chao Alessandro Robecchi, 2002 Ce livre retrace l'histoire de Manu Chao rock star vagabonde dont l'inspiration mène le harmonieusement des rythmes reggae et rasta au funk et au hip hop Il puise son inspiration d'un continent l'autre va et vient de France en Italie et en Espagne d'Amérique du Sud en Afrique Et au cœur de sa musique se trouve une galaxie de musiciens et d'artistes qui croient dans le pouvoir de la musique unir et rassembler les gens une époque où tout tend à se parer D'origine espagnole Manu Chao a grandi dans une banlieue parisienne où les cultures les plus riches coexistent parfois la plus dure Il se sent chez lui partout dans le monde en Colombie on le considère comme colombien au Mexique il est mexicain Il peut aussi bien monter un concert dans les favelas de Rio que jouer dans le métro Il revendique haut et fort son indépendance et sa liberté intellectuelle et ses prises de position lors de son récent concert Gènes en ont fait malgré lui un chantre de l'antimondialisation Alessandro Robecchi apporte ici un éclairage très personnel sur
