 Wasserman,2001-04-01 An examination of the interactions of the Christian Knights Templar and their Muslim counterparts
 the Assassins and of the profound changes in Western society that resulted Restores the reputation of the secret Muslim
 order of the Assassins disparaged as the world s first terrorist group Dispels many myths about the Knights Templar and
 provides the most incisive portrait of them to date A thousand years ago Christian battled Muslim for possession of a strip of
 land upon which both their religions were founded These Crusades changed the course of Western history but less known is
 the fact that they also were the meeting ground for two legendary secret societies The Knights Templar and their Muslim
 counterparts the Assassins In The Templars and the Assassins The Militia of Heaven occult scholar and secret society
 member James Wasserman provides compelling evidence that the interaction of the Knights Templar and the Assassins in the
 Holy Land transformed the Templars from the Pope s private army into a true occult society from which they would sow the
 seeds of the Renaissance and the Western Mystery Tradition Both orders were destroyed as heretical some seven hundred
 years ago but Templar survivors are believed to have carried the secret teachings of the East into an occult underground
 from which sprang both Rosicrucianism and Masonry Assassin survivors known as Nizari Ismailis flourish to this day under
 the spiritual leadership of the Aga Khan Wasserman strips the myths from both groups and penetrates to the heart of their
 enlightened beliefs and rigorous practices delivering the most probing picture yet of these holy warriors *Media*
