Original Goodness

Charles Haddon Spurgeon

Original Goodness:

Original Goodness Eknath Easwaran, 1996 Patience mercy peacemaking simplicity humility When we cultivate these qualities our life will become immensely rich Beneath all our layers of ignorance we can uncover our essential nature our Original Goodness According to the Perennial Philosophy found in all religions this divine essence can be realized and is the supreme goal in life This unbroken awareness of the presence of God in all creatures is the mark of the mystic For one who grasps these principles with an open heart life takes fire with purpose Original Sin in the Twenty-First Century Richard J. Coleman, 2021-08-11 Original Sin in the 21st Century begins with a cold hard fact Christians we have a problem No one is listening to us when we talk about original sin That will change as you follow an exploration of original sin as an enduring truth about human nature This book is not another exposition of either the history or the doctrine of original sin Rather it opens up new avenues of consideration such as original goodness as a counterweight to original sin a contemporary interpretation of the Adam Eve narrative the new relevancy of Reinhold Niebuhr's recognition that we are not as good as our ideals and a soul searching inquiry into whether original sin is too dark or perhaps not dark enough The twenty first century is far more than a backdrop This book invites us to rethink what sin looks like when the world warms when AI is created in our own image and when sin thrives on indifference and willful ignorance The author will quickly convince you this century is both an opportunity and an imperative to rethink original sin for what lies ahead **Original Goodness** Easwaran Eknath, 1989 Rousseau's Ethics of Truth Jason Neidleman, 2016-07-01 In 1758 Rousseau announced that he had adopted vitam impendere vero dedicate life to truth as a personal pledge Despite the dramatic nature of this declaration no scholar has yet approached Rousseau's work through the lens of truth or truthseeking What did it mean for Rousseau to lead a life dedicated to truth This book presents Rousseau's normative account of truthseeking his account of what human beings must do if they hope to discover the truths essential to human happiness Rousseau's writings constitute a practical guide to these truths they describe how he arrived at them and how others might as well In reading Rousseau through the lens of truth Neidleman traverses the entirety of Rousseau's corpus and in the process reveals a series of symmetries among the disparate themes treated in those texts The first section of the book lays out Rousseau's general philosophy of truth and truthseeking The second section follows Rousseau down four distinct pathways to truth reverie republicanism religion and reason With a strong grounding in both the Anglophone and Francophone scholarship on Rousseau this book will appeal to scholars across a broad range of disciplines **The Prose Works, from the Original Editions** Percy Bysshe Shelley, 1888 Original Blessing Matthew Fox, 2000-10-09 A work intended to uncover the basis of a pessimistic Christianity based on the concept of original sin and to recover a spirituality based on the original goodness or original blessing of creation **Morning light [afterw.] The New-Church weekly**, 1884 **The Present Conflict of Ideals** Ralph Barton Perry, 1918 Shelburne Essays: Studies of religious dualism Paul Elmer More, 1909 **Dictionary of Doctrinal and Historical Theology** John
