Part II, Description of Types, is an alphabetical list of all the names that have been used to identify rugs in the past as well as the names that are being used at present. Each entry is followed by a full discussion and description of the rug. Part III, Plates, contains 194 pictures of different types of rugs, complete with descriptive captions for each. Thirty nine of the plates are in full color. All of the plates are large, allowing the reader to see the design and in some cases the colors used in the particular rug.
