Edited by William R. Taylor, James E. Roffman

# Origins Of U S Nuclear Strategy 1945 1953

**Robert L. Beisner**

## Origins Of U S Nuclear Strategy 1945 1953:

The Origins of U.S. Nuclear Strategy, 1945-1953 Samuel R. Williamson Jr,1993-06-15 The United States took almost a decade after Hiroshima and Nagasaki to develop a coherent strategy of nuclear deterrence This comprehensive study by two careful and well informed historians provides the best explanation we have of why this process took so long it also suggests the inherent difficulties of relying on nuclear weapons to provide security in the first place Required reading for anyone interested in the early history of the nuclear era

*The Origins of U.S. Nuclear Strategy, 1945-1953* Samuel R. Williamson Jr,2016-04-30 The United States took almost a decade after Hiroshima and Nagasaki to develop a coherent strategy of nuclear deterrence This comprehensive study by two careful and well informed historians provides the best explanation we have of why this process took so long it also suggests the inherent difficulties of relying on nuclear weapons to provide security in the first place Required reading for anyone interested in the early history of the nuclear era

*The Tragedy of Great Power Politics* John J. Mearsheimer,2003-01-17 A superb book Mearsheimer has made a significant contribution to our understanding of the behavior of great powers Barry R Posen The National Interest The updated edition of this classic treatise on the behavior of great powers takes a penetrating look at the question likely to dominate international relations in the twenty first century Can China rise peacefully In clear eloquent prose John Mearsheimer explains why the answer is no a rising China will seek to dominate Asia while the United States determined to remain the world s sole regional hegemon will go to great lengths to prevent that from happening The tragedy of great power politics is inescapable

Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations

Image of U.S. Presidential Administrations Célia Belim,Patricia Calca,2012-12-16 This book analyzes the image of the U S presidential administrations from 2001 to 2011 and their political image in foreign countries The authors focus on the European perception of U S presidencies specifically during the terms of George W Bush and Barack Obama Political image is decisive in electoral victory and more often is central in the conquest and maintenance of political power Political image is also highly relevant because of the credibility of the United States on the international stage resulting in gained confidence and the celebration of profitable alliances This study of political image has a crucial interdisciplinary framework for disciplines such as communication political science and international relations

*The Gaither Committee, Eisenhower, and the Cold War* David Lindsey Snead,1999 As the United States struggled to respond to the Soviet Union s launch of Sputnik in 1957 President Eisenhower received a top secret report prepared by a committee of

leading scientific business and military experts The panel called the Gaither Committee in recognition of its first chair H Rowan Gaither Jr emphasized the inadequacy of U S defense measures designed to protect the civilian population and the vulnerability of the country s strategic nuclear forces in the event of a Soviet attack The committee concluded that in the event of a surprise Soviet attack the United States would not be able to defend itself The years following Sputnik and the Gaither Committee s report were a watershed period in America s cold war history During the remaining years of the Eisenhower administration the intensification of the cold war caused the acceleration of an arms race that dramatically raised the stakes of any potential conflict The Gaither Committee was at the center of debates about U S national security and U S Soviet relations The committee s recommendations led to increases in defense spending and the development of our nuclear arsenal     *Strategy for Chaos* Colin Gray,2004-08-02 The remit of this study is to encourage further studies that make an honest and successful effort to achieve synergy between social science and history when analysing the impact of revolutions in military affairs RMAs     The Longman Handbook of Modern American History, 1763-1996 Chris Cook,David Waller,1998 This brand new Handbook will be greatly welcomed by all those teaching and studying American history and politics and indeed by all those simply interested in American affairs It comes as a natural companion to the existing and now well established Handbooks of British and European history The book covers the period from the War of Independence to the present day and is aimed at providing the reader with a handy user friendly desktop companion on all major aspects of modern American history and politics It includes A section devoted to Political History This includes a detailed chronology of the main events information on the Constitution and subsequent amendments listings of all the presidents and major office holders notes on the legislature the judicature and the political parties The actual Constitution and the Bill of Rights are reproduced as appendices at the end of the text Chronologies backed up by key statistics on all the major themes in Social and Religious History Readers will find information on for example public health and social welfare black American history American Indians the women s movement pacifism and the anti war movement and the environment Key facts and figures in Economic History including sections on population immigration industry and trade agriculture and transport Detailed information on Foreign Affairs and Defence The authors have provided concise summaries of all the major wars and two chronologies one on the armed forces and a second on the Cold War nuclear rivalry and detente between 1942 and 1991 Supporting these main sections are over two hundred succinct Biographies of the key figures a remarkably comprehensive Glossary of Terms running to over sixty pages of text an extensive thematically arrange Topic Bibliography and six maps The book packs an immense amount of information into a convenient and accessible form and will be an invaluable resource for anyone for whom the study of American history is a preoccupation or a pleasure     The Cold War U.S. Army Ingo Trauschweizer,2008 Focuses on the Seventh Army in West Germany the largest and best prepared field army ever deployed by the U S in peacetime to show how the U S army redefined its identity structure and mission in order to avoid obsolescence

during the Cold War era of nuclear weapons and air power

### American National Security and Economic Relations with Canada, 1945-1954 Lawrence

Aronsen,1997-08-30 Aronsen draws on recently declassified documents in Ottawa and Washington to provide a reassessment of Canada s special relationship with the U S Toward this end detailed new information is provided about Canada s contribution to the creation of the postwar economic order from the Bretton Woods Agreement to GATT Canada s cooperation was rewarded by special economic concessions including the extension of the Hyde Park agreement in 1945 the inclusion of the off shore purchases clause to the Marshall Plan and Article II of the NATO Treaty After the outbreak of the Korean War Canada s resources played a crucial role in the production of weapons systems for the new air atomic strategic doctrine Several policies were adopted to facilitate the expansion of Canadian defense production notably the relaxation of regulations on technology transfer the encouragement of private sector investment and the negotiation of long term contracts at above market prices In the midst of these unprecedented peacetime developments Time Magazine observed that Canada had become America s Indispensible Ally

### *Bernard Brodie and the Foundations of American Nuclear Strategy*

Barry Howard Steiner,1991 Steiner analyzes how and why Brodie s understanding of weapons of unparalleled explosive force led him to posit the need for revolutionary strategic thinking in broadminded analytic method and in the focus upon cities as nuclear targets He shows the tremendous effect Brodie s work had on the intellectual climate in which policy is determined particularly in his frequent combatting of conventional wisdom **We Now Know** John Lewis Gaddis,1997 A masterly review of the early pahses of the conflict between the United States Russia China and their respective allies from 1946 to the Cuban missle crisis in the autumn of 1962 It is clear thorough and judicious in short magnificent The Economist Gaddis has done a thorough job of collating material from these diverse sources and constructing a trenchant analysis that puts these

fascinating tidbits into context San Francisco Chronicle Examiner Based on the latest findings of Cold War historians and extensive research in American archives as well as the recently opened archives in Eastern Europe the former Soviet Union and China We Now Know provides a vividly written eye opening account of the Cold War during the years from the end of World War II to the Cuban missile crisis The book brims with new information drawn from previously unavailable sources with fresh insight into the impact of ideology economics and nuclear weapons and with striking reinterpretations of the roles of Truman Eisenhower Kennedy Khrushchev Mao and Stalin Indeed Gaddis concludes that if there was one factor that made the Cold War unavoidable it was Stalin     **The Emerging Shield** Kenneth Schaffel,1991     *Crucible of Power* Howard Jones,2008-03-20 This book is a narrative history of America's foreign affairs from 1897 to the present that focuses on the major personalities and events from the William McKinley administration through President George W Bush     European Integration Amr Hamzawy,2006 Nafaa H The European Union political system and institutions S 11 36 Schumacher T The European Union's role in world politics What kind of international actor S 37 61 Bailes A J K Institutional integration towards a European security zone S 63 105 Moller B Institutional integration towards a European security zone S 107 156 Pfetsch F R The European constitution S 157 196 K hnhardt L Constitutionalizing Europe from national identities to European political identity S 197 221 Lindstrom N Perceptions of new EU member states supra nationalism versus national sovereignty S 223 243 Meyer C O The limits to governing the European economy how welfare state models country size and political organization matter for economic policy coordination S 245 263     American Foreign Relations Since 1600 Robert L. Beisner,2003 In this book a team of distinguished historians has culled the most important published and unpublished works in U S diplomatic literature and thoroughly annotated them The work comprehensively covers five centuries from America's colonial era to the end of the 20th century with half the entries on works published since the first edition and nearly half on post World War II subjects     *Airpower Journal* ,1995     **America, History and Life** ,1999 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide
