**Brian Lumley's The Best of the Rest** Brian Lumley, 2023-11-11 From the Introduction This pretty much is what the title says Many of the stories novellas here will have only been done in limited print runs such as in fanzines magazines pamphlets special editions or online magazines It's a mixed genre of stories and these are what Brian considers the best of the rest of the stories in his body of work We've got 111 000 words in this collection so that means lots of enjoyment in what is likely the last collection coming from Brian The Challenge As some fools do But do you dare Yes Well don't The Man Who Photographed Beardsley They should have been pictures from life or was he simply impatient The Cyprus Shell There are some you can eat while others have their own pick me ups Clean Slate If you're in debt to the Devil don't mess with look a like sisters The Deep Sea Conch Some species build nests while others are much like the cuckoo The Ugly Act But what's a pimple or two if there's only you Irving's Story Her downstairs knew best every time The Running Man It may be true you can run but as for finding a place to hide Somebody Calling The only way she could He simply had to listen harder Vanessa's Voice Both beautiful and deadly The Vehicle Some might think of him that way others as a dyadic personality Mandraki Take care who you lie down with and where Two Stone Tom Yes except he was an entire science heavier than that The Long Last Night Was it just a myth or a Mythos The Weird Wines of Naxas Niss A wizard's stolen potion is another man's gateway to Nirvana maybe Stealer of Dreams Always remember once they're gone they might stay gone
