Nectar Of Heaven:

Nectar of Heaven E. C. Tubb,1981 *Soil, Soul, Society* Satish Kumar,2024-10-01 In the first US edition of Satish Kumar s classic book we rediscover how our spiritual and social well being connects to that of our planet Internationally respected peace and environment activist Satish Kumar has been gently setting the agenda for change for over 50 years As 350 org founder Bill McKibben says There is no one on the planet better equipped to make you think and rethink how you re living and how you might change The age of sustainability is grounded on the knowledge that we ourselves are very much part of nature that what we do to nature we in fact do to ourselves and that the earth has a soul which we share Drawing on the example of Rabindranath Tagore Kumar advocates living with awareness that our personal choices have political and poetic resonance In this book he inspires readers with the knowledge we are all leaders and can create change in our structures and mindsets for lasting peace and a sustainable culture and society Celebrating an emerging global consciousness that reveres nature the book explores how as a global society we need to embrace diversity and be aware of our role as pilgrims on this earth Joyful and heart centered Satish Kumar reminds us that to bring about change in the world we must embody the change we wish to see **The Indian Review** G.A. Natesan,1930 **Nectar of Heaven** E.C. Tubb,2011-09-29 The planet had two unique elements One was that it produced the galaxy s most desirable hallucinatory drug The other was that it was a stock broker s paradise The world was split into rich men s holdings and every hour every minute these were being traded on a continuous stock market Up and down went values as men conspired to seize others properties to push prices down and costs up Their money game controlled everything else the common people workers farmers homes lives poverty and luxury Earl Dumarest went there to find his next stake Find the drug gem or manipulate the market two possibilities But behind the scenes stood the advisors of the inhuman Cyclan determined to fix the odds against Dumarest First published 1981 **Q.
