## **Needles Of Stone:**

**Needles of Stone** Tom Graves,2008 This book takes the reader on an extraordinary journey Using his skills as a dowser the author explores the realm of Earth mysteries megaliths ley lines barrows beacon hills and other ancient features and puts forward some startling but nonetheless highly plausible ideas He reveals a view of our world that links past and present a world that hints at a magical technology linking people and place a world whose energies could perhaps have been harnessed in the past to improve the quality of life It is also a plea for us to rediscover the profound connection with place that our ancestors knew and to begin to heal a relationship with land that has been badly ravaged by the values and assumptions of the modern world Needles of Stone has long and rightly been considered a classic With the addition of new chapters this 30th Anniversary edition allows the author to bring the work up to date and gives him an opportunity to reflect on what has happened since the book was first written

**Needles of Stone Revisited** Tom Graves,1986 Needles of Stone , Presents a downloadable version of the book Needles of Stone by Tom Graves published online by Palden Jenkins Examines the purpose for stone circles standing stones and megalithic remains of all kinds
