Neer Do Well:

The Ne'er-do-much Eleanor Hallowell Abbott,1918 *The English dialect dictionary, being the complete vocabulary of all dialect words still in use, or known to have been in use during the last two hundred years* Joseph Wright,1970 **The Open Society and Its Complexities** Gerald Gaus,2021-08-06 The Open Society is a society of free individuals cooperating while pursuing diverse ways of living The Open Society and Its Complexities marshals formal models and empirical evidence to show that our open society is grounded on the moral foundations of human cooperation originating in our distant evolutionary past but has built upon these foundation a complex society that requires us to rethink both the nature of moral justification and the meaning of democratic self governance **The Apple Cart, Too True to Be Good, on the Rocks, and Millionairess** Bernard Shaw,2021 The four dramas in this volume are some of George Bernard Shaw s most interesting plays They stretch from 1929 to 1935 and coincide with the Great Depression the intensification of the crisis of democracy that began after the war and the rise of totalitarianism all of which find expression in these plays They also signal the beginning of an important new phase in Shaw s writing one marked especially by the development of two new Shaw genres the political extravaganza and the political allegory The Apple Cart 1929 marked Shaw s return to playwriting after the long hiatus that followed Saint Joan 1923 The Apple Cart is perhaps the most pointed critique of parliamentary democracy in the entire Shavian canon Too True to Be Good 1931 is another political extravaganza with the opening stage direction The patient is sleeping heavily Near her in the easy chair sits a Monster signaling that Shaw is advancing further into uncharted dramaturgical territory He began writing shortly before his trip to the Soviet Union and finished the play and wrote the preface after his return In the preface Shaw asserts that the USSR is a new Catholic church The dark mood continues in Shaw s next play On the Rocks 1933 which Shaw subtitled a political comedy It is reminiscent of The Apple Cart in that it is sharply focused on British politics and set in the Cabinet Room at 10 Downing Street during the economic depression of the 1930s Shaw started writing The Millionairess in 1934 and finished it in 1935 On the surface it is a simple comedy and if not for the preface we might acquiesce to Shaw s assessment that the play oes not pretend to be anything more than a comedy of humorous and curious contemporary characters such as Ben Jonson might write Yet the preface appended to the play is entirely about leadership and declaims at great length on Mussolini and Hitler *A Mythic Obsession* Tom Kupsh,2008-06-01 In addition to hundreds of whimsical welded sculptures Tom Every poured most of his effort into the Forevertron the world s largest sculpture built by a single person and in the process he discovered his alter ego Dr Evermor With the full participation of Tom and Eleanor Every Every s amazing life is keenly documented including never published family photos sketches and personal memories producing a detailed portrait of a unique self taught artist From a very early age Every collected modified and resold cast off industrial material His work as a salvager led him to Alex Jordan Jr creator of the House on the Rock When the time is right and only Dr Evermor will know when the famous enigmatic scientist will

climb the winding staircase of the Forevertron and enter its egg shaped travel chamber power up the dynamos and flip on the thrusters and fly away on a highball to heaven propelled by an electromagnetic lighting force beam Or so the story goes Anyone who has spent time at the elaborate visionary environment created by Tom Every has heard some variation of the Evermor myth Lesser known is the story behind the story the fascinating history of this one of a kind creative spirit *Our Navy, the Standard Publication of the U.S. Navy*, 1923 **Proceedings of the New York State Historical Association** New York State Historical Association, New York State Historical Association. Meeting, 1913 *New International Dictionary*, 1920 **Bright Days in Merrie England** Abraham Van Doren Honeyman, 1902 **The Bookman**, 1911 **China Digest**, 1927 **The Scottish Historical Review** James Maclehose, 1919 A new series of the Scottish antiquary established 1886 **The Scottish Historical Review**, 1919 A new series of the Scottish antiquary established 1886 **The Louisiana Planter and Sugar Manufacturer**, 1915 **The Parliamentary Debates** Great Britain.
