Nees Makeovers Just For Me:

The Marriage Makeover G. Michael Saunders, 2011-12 How is your marriage Is it everything you hoped it would be Is it the happy successful fulfilling relationship that God promises it will be in His Holy Scriptures If we are honest no matter how good our marriages are we have to admit that marriage did not live up to our expectations The good news truth though is that our marriages can be everything that God promises and that truth is based on these very promises of God There are things we need to know understand and act on in order for God's promises to come true in our lives and that is what this book is about helping you to know how to take your marriage and make it all that God promises your marriage can be in His Word

The Marriage Makeover Philip Wagner, 2014-03-04 A 10 Day Plan to Turn Around Your Marriage Does the idea that you could have a complete marriage makeover in ten days seem simplistic to you Does it seem like an impossibility Do you think I'm overpromising or trivializing what you are facing You might be thinking Philip do you really think people can solve any marriage problem in ten days Give me a break Here is what I know in ten days you can radically change the environment of your marriage from hostile to trusting from cold to warm or from distant to embracing In ten days you can drastically change the tone of your relationship and you can create the environment in which any problem can be worked on in a safe and promising atmosphere Whether you are here because you have run a few red lights in your relationship or because it's a total wreck I want to welcome you and offer you this simple encouragement You can turn your marriage around You don't have to do something terrible to mess up your marriage you just have to do nothing Something as important as love left to itself can gravitate to the lowest level of passion In *The Marriage Makeover* I am going to give you ideas for refreshing ten different areas of your marriage relationship I've structured the book with ten short chapters so that you can read one each day This works It is simple the chapters are not long and the advice is not complicated But that does not mean it is easy Growth demands vulnerability and trust You will experience uncomfortable emotions You will face resistance You may even question if you are getting anything out of this process but if you give the biblically based truths in this book a chance I guarantee you will see a change Put your heart and soul into this and you will not be disappointed
